Crash Victim Hurt
Second Time In
Ambulance Wreck

San Rafael Man's Condition 'Fair'
After Mishaps; Hit-Run Charged

Yesterday's pre-dawn hours were a post-Halloween nightmare for Walter Lee Hale, 40-year-old catering service operator of 215 Mark Twain avenue, San Rafael.

In less than 20 minutes, Hale was severely injured in two auto accidents, the second a hit-run mishap involving the ambulance that was speeding him to Marin General Hospital.

At 2:30 a.m., the California Highway Patrol reported, Hale

was eastbound on North San Pedro road in Santa Venetia when he apparently dozed at the wheel. His 1960 Cadillac sedan veered off the road and smashed into a large tree on the north side.

Suffering from a fracture of the left leg and cuts on the left knee and ankle, he was placed in an ambulance driven by Joseph A. York, 32, of 98 Grande Vista, Novato.

URNS ON SIREN

York turned on his siren and flashing red lights and headed south on Highway 101 in the fast inside lane. The vehicle, owned by United Ambulance Co., was half a mile south of the San Quentin Overpass when a southbound sedan swerved directly in front of it from the slow lanes, the CHP reported.

The ambulance struck the rear of the sedan and ran onto the divider strip. Hale, already seriously hurt, was catapulted off the gurney and over the back of the driver's seat. He landed on top of York.

HIS INJURIES

Hospital attendants, although unable to sort out which injuries Hale received in which accident, said today he suffered fractures of left leg and hip, cuts on his upper lip, left knee and ankle and possible internal injuries. His condition was described as fair.

Patrolmen John Halligan and Joseph Kendrick said the sedan stopped about 60 feet from the accident scene for several minutes, then pulled away. It was halted minutes later on Highway 101 by Corte Madera Police Officer David McIntosh.

At the wheel was Nicholas E. Demientrieff, 20-year-old seaman recruit stationed at Treasure Island. With him were three other sailors from Treasure Island, John E. Rush, Gary K. Burrus and Gene V. Danvers.

The patrolmen said Demientrieff told conflicting stories, at first declaring he had pulled off the road on seeing the ambulance, then denying he had been at the wheel when the collision occurred. Burrus and Rush both identified him as the driver, the officers said, while Danvers, who had been sleeping in back, "thought" he was.

Demientrieff was taken to the accident scene, where, according to CHIEF, page 2

SHE'LL CALL HIM JOE—Mrs. Wilfred Keading fondles infant found abandoned Friday in San Rafael's West End. The county welfare department awarded custody of the baby to Mrs. Keading, who announced "We'll call him Joe" and said she will seek to adopt him if the parents do not claim him. (Independent-Journal photo)

JOE'S THE NAME

Foundling Thrives In
Novato Foster Home

By CARLETON WILLIAMS

"Baby John Doe" today is known as Joe.

The infant, hours old when found abandoned Friday in front of a San Rafael home, today was living it up with a brand new "mother," "father" and four "big brothers."

His foster parents, to whom he was awarded Saturday by the Marin County Welfare Department, are Mr. and Mrs. Wilfred Keading of 65 Crescent lane in Novato.

His big brothers are Randy, 16, and Jimmy, 11, both children of the Keatings; and Mike, 16, and Paul, 11, foster children in the same home.

"We decided to call him Joe," Mrs. Keading beamed yesterday as she tenderly fed the foundling. "Look at him eat! He wouldn't touch a thing for the first few hours he was here. But look at him now!"

The baby was pronounced in perfect health and normal in every way by a physician who examined him Friday at San Rafael General Hospital.

The child was found wrapped in four towels and a bedspread atop a retaining wall at 105 West End avenue,

was moving furnishings into a new home. The child was left sometime prior to 9:30 a.m. Friday, when Mrs. Conophy noticed a bundle on the retaining wall. But not until she noticed movement in the bundle at 2 p.m. did she investigate and discover the baby.

San Rafael police today still had no clue to the parentage of "Joe" or to anyone who placed him on the retaining wall.

Welfare department officials said the baby will eventually be up for permanent adoption if he is not claimed.

"And don't think my lawyer won't be in there fighting for him!" the brown-eyed, brunette Mrs. Keading said. "If we don't deserve to keep him, who does?"

Her bustling family back her if her desire for a permanent addition to their group.

"She's bored when she doesn't have a flock of kids around," said her husband, a carpenter and past commander of the Pacheco Chapter 79 of the Disabled American Veterans.

Selection Of
Councilman
Slated Tonight

San Rafael Session
To Pick Successor
To Joseph Sauer

A new city councilman for San Rafael is expected to be named tonight at the city council meeting set for 8 p.m.

David Menary Jr., young San Rafael lawyer, looms as the No. 1 candidate for the job left by the late Joseph F. Sauer. He has indicated he would accept if offered the post.

BALL PARK

San Rafael Little League officials are scheduled to appear with a petition, asking the city to help pay for improvement of a ball park in a leased tidal-lands area off San Quentin road near the city sanitation treatment plant.

The Little Leaguers leased the tideland this year because their old ball park near Second and Lincoln had to be abandoned to make way for the Lincoln avenue extension.

FIREWORKS

Fireworks are expected on the private tennis and swimming club permit granted by the planning commission for J street between Scenic and Fifth avenues. Residents in the area are protesting and will ask the city fathers to reject the club.

Other items on tonight's agenda include:

A proposal to install stop signs on Mary street at Mission avenue and on Belle avenue at Grand.

Final passage of an ordinance regulating fire sales, closing out sales, auction sales, liquidation sales and other sales of similar nature.

A petition protesting unsightly condition of an auto wrecking yard at 25 Tiburon street.

A \$10,000 damage claim for injuries suffered by Steven F. Miller of 206 Humboldt street, San Rafael. Steven's father, Leo Miller, says his son fell in the boys' dressing room at the San Rafael High School pool last Aug. 26.

Temperature
Takes Dive

The temperature dipped to 42 degrees early today in San Rafael—only 10 points above freezing.

The morning, coldest yet this fall, also saw a 43-degree minimum in Mill Valley.

Temperatures nearly as low were forecast for tomorrow morning.

The U.S. Weather Bureau said storm developing off the Oregon coast is expected to cause increasing cloudiness in Northern California tomorrow with rain on the coast as far south as Eureka by tomorrow.

Fog and low clouds will increase on the coast and cool air will spread inland over the central coast, the Weather Bureau said.

The five-day forecast through next Saturday said about two days of rain could be expected in the northern counties.

TV Quiz Rigged,
Van Doren Says

Winner Admits Lies,
Rehearsing Questions

CHARLES VAN DOREN
As he confessed

WASHINGTON (AP)—Charles Van Doren, his boyish face drawn and his eyes bloodshot, confessed today he followed script in giving the apparently impromptu answers which made him a TV quiz show celebrity.

"I was deeply involved in a deception," Van Doren told House investigators.

He also confessed he gave false testimony to a New York grand jury investigating the quiz shows.

The youthful professor, intellectual scion of a noted literary family, admitted he had given the wrong answers in denying previously the show on which he won \$129,000 was rigged in his favor.

Van Doren's appearance before the House subcommittee conducting its own quiz into TV question and answers programs was as dramatic as his weekly displays of mental wizardry on the since abolished "Twenty-One" show.

ROOM PACKED

The hearing room was packed as Van Doren entered from a side door to evade reporters and photographers.

Before reading a statement—prepared in advance—Van Doren asked for a glass of water. Then he told all.

He followed a script, admitted the young professor who became the best known of all big money winners in the heyday of quiz shows.

He was coached on mannerisms.

BUILT SUSPENSE

He was cautioned against spilling out the answers.

He hesitated and grimaced before the cameras, he said, to build up suspense.

Van Doren said he is now aggrieved that he gave in to the persuasive arguments of Albert Freedman, a producer of the show—that, after all, it was only entertainment for the millions of TV viewers.

"I learned a lot about good and evil," Van Doren said, "and I learned that things are not always the way they appear to be."

Answering questions posed this time by the congressional investigators, Van Doren later testified that in late January, 1957, while he still was on "Twenty-One" Freedman demanded \$5,000 of his potential winnings.

'Copters Hunt
Two Missing
In Boat Mishap

Coast Guard helicopters started a search today for two persons missing from a cap-sized 21-foot sloop from which two others swam to Marin County shores last night. They had failed to sight the vessel by 11 a.m.

After the Bee-Bee Doll was swamped by heavy ground swells off the Presidio late yesterday, two San Franciscans decided to swim for help while two others remained clinging to the hull.

First to reach shore was Thomas Anderson, 23, followed by Phillip Mannina, who was in the water for three hours and then spent another hour climbing a 250 foot Lime Point cliff near the north end of the Golden Gate Bridge before he met a California highway patrolman.

Mannina said the tide had started to carry the partly submerged craft out the Golden Gate and "we knew we had to get rid of weight or we'd all go down." Still missing were Clark Wood and Richard Russo, both 23 and not able to swim.

Marin Tax Return
Total Ranks High

Marin County ranks seventh in California in the number of taxable income tax returns per thousand population, the San Francisco Bay Area Council reported today.

Personal income tax returns over \$5,000 increased seven per cent in Marin from 1956 to 1957, while the over-all increase in the Bay Area was 3.4 per cent, according to council figures. In Marin returns on income over \$5,000 totaled 20,050 in 1957, compared with 18,745 in 1956. The 1957 returns were the sixth highest number in the Bay Area.

ONLY MINOR MISCHIEF

Marin Reports Little
Trouble On Halloween

Aside from a party-crashing free-for-all in Greenbrae Saturday night, there were few reports of serious Halloween trouble in Marin County.

The mischief reported to police departments and the sheriff's office ranged from soaping and chalking of cars and store windows to paint tossing and hub cap theft.

The Greenbrae incident (see page 5) required a squad of at least eight sheriff's deputies to bring under control. Six youths were arrested.

Elsewhere, Mrs. Roy Sclar of 54 Berens drive, Kentfield, complained that the family station wagon had been moved one block and a hubcap removed from a rear wheel.

Donald E. Strider of 575

Quietwood drive, Marinwood, said he was able to remove freshly thrown red enamel from the hood and fender of his late-model station wagon.

A Terra Linda woman, Mrs. Jennie Echlin of 391 Holly drive, reported an egg was tossed against the front of her house. Mrs. Clementina C. O'Toole of 66 Junipero Serra avenue, San Rafael, told police someone dented the left front door of her car and smashed the outside rearview mirror.

Sheriff's deputies issued malicious mischief citations to a pair of Ross boys, age 16 and 17, for tossing water-filled balloons at trick-or-treating children in Sleepy Hollow.

Otherwise, it was a rather quiet Halloween in Marin.

SCHOOL'S OUT IN LARKSPUR; NOT FOR TEACHERS

Pupils in Larkspur and Corte Madera schools had an extra holiday today while their teachers, and other employees of the school district, worked to get a new school ready. Seen here hard at work preparing Henry C. Hall School in Larkspur for open-

ing tomorrow are (from left) teachers Mrs. Pat Raiser (second grade), Mrs. Jean Grunbaum (first grade), Mrs. Kay Clark (kindergarten) and Mary Lou Krempel (third grade). (See story on page 7.) (Independent-Journal photo)

No Progress Indicated In Steel Strike Talks

WASHINGTON (AP)—Federal mediators met separately with both sides in the 111-day-old steel strike for 75 minutes today with no indication a settlement was near.

Federal Conciliator Joseph F. Finnegan set further separ-

ate meetings for this afternoon with management negotiators and negotiators for the striking United Steelworkers Union.

Finnegan showed no particular optimism. David J. McDonald, steelworkers president, had only a glum appraisal of settlement prospects.

Moving of federal mediation back into the strike picture shifted the deadlocked negotiations from Pittsburgh to Washington a day before the Supreme Court is to hear arguments in the government's suit to halt the strike with an 80-day Taft-Hartley Act injunction.

Man Admits Guilt In Rape Attempt

Joseph Gabriel, 52, of Mountain road in Lagunitas, admitted today he assaulted a Forest Knolls housewife with intent to commit rape last Aug. 4.

On Oct. 23, a jury failed to agree on whether Gabriel had attempted rape and committed perverted acts on the 54-year-old woman. This morning, he changed his plea to guilty on the attempted rape charge. The other charge was dropped.

Judge Thomas F. Keating set Nov. 23 as the date for sentencing.

Job Lack Delays Arsonist's Parole

A young arsonist due for parole today after seven years in San Quentin Prison still sits behind the gates waiting for a job.

Kenneth Skinner, 26, who set a San Francisco apartment fire in 1952 that took the lives of nine persons, cannot leave until his parole officer finds him civilian employment required as a provision of parole.

Skinner learned the plumbing trade while serving a 1-to-10 year sentence for manslaughter.

Warden Fred Dickson said Skinner must remain in prison until offered a job as a plumber's apprentice.

KNIFING

Continued from page 1 or the name of the person Kilgore was chasing.

The fight was believed, however, to have started during an argument outside the hall. Mill Valley officials said they did not think it had anything to do with the dance.

The club is owned by the city, but is rented to private organizations for parties and dances. The Affrobilities held a dance at the club last spring without incident.

Completes Training

John Stetson of Kentfield, local representative for Mutual of Omaha and United of Omaha, recently completed the insurance course offered at the national sales training school session in San Francisco.

Hub School Pupil Total Up Slightly

Harold R. DePue, superintendent of the San Anselmo School District, has announced an increase of 51 students over last year bringing the total to 1,943.

"School buildings, fortunately, can house another 100 pupils before overcrowding begins," he told parents in the home-school bulletin.

Pupil to teacher ratio now is: Brookside 29.9 pupils to one teacher; Hidden Valley 33.17; Isabel Cook 31.25; Sleepy Hollow 28.25; Wade Thomas 29.55 and Yolansdale 31.25.

The district average is 30.8 students to one teacher.

CHIEF

Continued from page 1 heck of minutes to be "for a period of not to exceed six months," during which the commission was to obtain information on holding an examination.

Ishmael, however, declared today: "It is my understanding that my appointment two years ago was as permanent chief. They would not have raised my salary from \$300 to \$500 a month if I had not been permanent."

"I have built the department in two years from 18 men, three pieces of equipment and one firehouse to a firehouse and substation, five pieces of equipment and 40 volunteers. Fire rates have been reduced from Class 8 to Class 6."

Ishmael charged that "commission vice chairman Fred C. Hannahs has made the assertion that he is going to get rid of me."

Hannahs, however, declared the proposed examination had been discussed in Chief Ishmael's presence and the chief had made no objection to it. "I am at a loss to understand Chief Ishmael's evident mistrust of the motivation of the commission," said Hannahs.

The written portion of the examination is set for 2 p.m. Saturday, to be given by the San Francisco firm of Louis J. Kroger and Associates. What the fire commissioners plan to do during their executive session tonight was not clear, since the written examination is not to be given until five days later.

Contractor Case Hearing Concludes

George E. Kupka, Fairfax contractor, completed his defense today against charges that he had deviated from building plans, in a hearing before Jerome P. Hearst who acted in San Francisco on behalf of the Contractors License Board.

Hearst has sent confidential findings as to charges of deviation, which Kupka denied, as well as on alleged failure to pay certain bills of sub-contractors, to E. W. Ford, registrar of the Contractors License Board, in Sacramento. Ford is expected to announce his conclusions within a few days.

Kupka said of the allegations about bills that he had paid all save in one disputed case where the matter has gone to court.

City Manager Back After Heart Attack

San Rafael City Manager Dan E. Andersen, who suffered a heart attack about six weeks ago, returned to his job this morning for a few hours.

He said he felt fine this morning but would not be putting in a full day, pending his doctor's clearance.

Marin Man Found Dead In His Car

Harvey C. Courreges, 43, of 84 Dartmouth drive, Larkspur, was found dead in his car at the Danville Golf Club near Walnut Creek yesterday after having apparently suffered a heart attack about 24 hours before.

Funeral services will be held at 1:30 p.m. Wednesday at Keaton's Mortuary in San Rafael. Burial will be in Golden Gate National Cemetery, San Bruno, at 2:45 p.m. Wednesday.

Courreges, who had worked in the purchasing department of Standard Oil Co. in San Francisco for 18 years, played golf on Saturday and was seen at the clubhouse.

A golfing party noted him in his car Sunday but thought he was merely waiting. When they saw he had not moved on their return some hours later, they investigated and found he had apparently been dead since the previous day. It is understood that he had had previous heart difficulty.

Courreges was a native of California. He served in the Marine Corps during World War II. He was a member of Oakland Lodge, F. and A.M.

His wife, Mrs. Rosalie C. Courreges, also works for Standard Oil in its public relations department. Survivors include one daughter, Linda J. Courreges, two brothers, George and John Courreges, and his mother, Mrs. Hattie Courreges.

High School Girls To Take Grid Quiz

Three girls from each of the four classes of San Rafael High School have been chosen through preliminary contests to take part in a quiz program final on "football subjects" during the school's Wednesday noon assembly.

The affair was dreamed up by the Girls' Recreational Assn. on the theory that too many girls know too little about football games and provoke their male associates by stupid comments at the contests.

Spurred by the possibility of becoming one of three winners Wednesday, to receive \$10 merchandise orders purchased by the association and good at San Rafael stores, most of the girls are now said to be very bright about all aspects of football.

San Rafael Attorney Moves To New Office

Julius H. Selinger, San Rafael attorney, has moved his law office to a new location at 1005A street.

He was formerly located at 889 Fourth street. His office telephone number remains the same.

OBITUARIES

L. M. Ryan Rites Set Tomorrow

Funeral services for Lester M. Ryan, 65, Marin County senior building inspector who died Saturday of a heart attack, will be held tomorrow.

Ryan, a resident of Marin for 40 years, had been with the county building department 13 years. When he started with the inspection department, he was its first full-time inspector and sole employee. He went to work shortly after the enactment in 1946 of a new county building code.

Marvin W. Brigham, county director of public works and Ryan's chief, said today: "Mr. Ryan will be greatly missed. He was a real good man and a fine gentleman. He was very honest and very loyal."

Ryan was an unsuccessful Democratic candidate for the state Assembly from the Marin-Sonoma district just after World War II.

Ryan, an enthusiastic boatman, was found dead on the deck of his boat near his home at 3560 Paradise drive, Tiburon. He had been preparing the boat for guests and a tour of the bay.

Prior to his service with the county, Ryan was a carpenter. He was a member of Carpenters Union Local 1710. He was born in Portland, Ore.

He is survived by his wife, Lillian; a daughter, Mrs. Barbara Elphich of Oregon; his father, M. Lawrence Ryan, and three brothers.

Funeral services will be held at 10 a.m. tomorrow at the Chapel of Russell and Gooch in Mill Valley. Inurnment will be private.

The family has requested that any contributions be to the Marin County Heart Fund.

Stephen Braniff Dies At Age 76

Stephen J. Braniff, 76, of Corte Madera, a retired refrigerating engineer, died today in a local hospital after a brief illness.

Braniff had been a resident of Marin County for the past year. He and his wife, Ona, resided at 11 Redwood avenue, Corte Madera.

He is survived also by two daughters, Mrs. Cliff Bostick of Brancomb, Mendocino County,

LESTER M. RYAN Found dead on boat

John Cunha, 78, Dies In Hospital

John F. Cunha, a native of Marin County and a rancher here for most of his life, died yesterday at a local hospital after two weeks' illness. He was 78.

Cunha had resided at 59 Shell road, Mill Valley, with his wife, Louise, and his son John F. Cunha Jr. He is survived also by another son, George Cunha of Fairfax, and by two grandchildren.

Cunha retired from the ranching business four years ago last month. He had owned ranches in the Tennessee Valley, San Rafael and Alto.

Requiem Mass will be said at 9:30 a.m. Wednesday at St. Raphael's Catholic Church, San Rafael. The Rosary will be recited at 8 p.m. tomorrow at Keaton's Mortuary, San Rafael. Interment will be in Mt. Olivet Cemetery, San Rafael.

Sausalito School Board Meet Set

The Sausalito School District board will hold a special meeting at 8 p.m. Wednesday in the district offices at Bayside School to consider putting in writing its policies on the district child care center.

In addition to reviewing this policy, the board is scheduled to consider a ruling from the county counsel's office that the county can divert housing authority funds to the district for children attending from Marin City.

and Mrs. Opal L. Daniels of Corte Madera, and by six grandchildren and eight great-grandchildren.

Braniff had been employed by the Yakima (Wash.) Fruit Growers' Assn. for 25 years.

Funeral arrangements are pending at the Chapel of the Hills, San Anselmo.

Rites Tomorrow For Mrs. Garatti

A Requiem Mass will be said for Mrs. Rosa Garatti, 80, at 9:30 a.m. tomorrow at St. Raphael's Church. The cortege will form at 9:15 a.m. at Keaton's mortuary in San Rafael, where the Rosary will be recited at 9 o'clock tonight.

Burial will be in Mt. Olivet Cemetery.

Mrs. Garatti died at a San Rafael rest home Saturday after a long illness. She had resided at 333 C street, San Rafael, and had been a San Rafael resident since 1908.

Born in Italy, April 5, 1879, she came to the United States at the age of 29. Her late husband, Giuseppe Garatti, worked for the Northwestern Pacific Railroad.

Survivors include a daughter, Mrs. Mary Benepe of San Rafael; a son, Laurence Garatti, San Rafael grocer, six grandchildren and three great-grandchildren.

MARRIAGE LICENSES ISSUED

Robert D. Evans, 56, of 815 Fourth street, and Donna L. Weber, 52, of 806 Third street, San Rafael.

Norman A. Boudreau, 20, Santa Rosa, and Darlene M. Schunk, 19, Cotati.

Roy A. Bernard, 24, of 13 Alta Vista, Mill Valley, and Pamela D. Wilson, 19, of 306 Fourth street, Sausalito.

John R. Bishop, 27, of 135-A King street, Larkspur, and Sandra P. Maxwell, 22, of 24 Bayview avenue, Larkspur.

Raymond J. Guagliano, 26, of 12 Forrest avenue, Mill Valley, and Jeannine F. Rawson, 16, Mill Valley.

Robert E. Cunard, 25, of 515 Bridgeway, Sausalito, and Donna L. Chalmers, 19, Sausalito.

John L. Walker, 24, of 2867 Grounds Electric Engineers Installation Agency Squadron, Hamilton Air Force Base, and Janet C. McLaughlin, 20, McFarland (Kern County).

The plane crashed into the rural home of Mr. and Mrs.

Corte Madera's Planners To Meet

A special meeting of the Corte Madera Planning Commission to consider a protest against a board of adjustments ruling on setbacks in two new subdivisions will be held at 8 p.m. Wednesday in the town hall, Town Manager Arthur H. Brandow said today.

The Independent-Journal on Saturday mistakenly reported the meeting as called for Tuesday evening.

The protest was filed by Mayor Roger F. Morse. It involves setbacks for Billings-Hutchison Co. and Glendale Construction Co. homes in Mariners Cove.

John H. Shoup. It crumbled the brick structure and set it afire.

Neighbors said the Shoups' children, Marie, Lynn, 12, and Lori, 2, were inside the house and killed.

They said Mrs. Shoup was outside the house. Her clothing caught fire. A neighbor wrapped a cloth around the woman and doused the flames.

The plane crashed minutes after taking off from nearby Wright-Patterson Air Force base. Shortly after the plane crashed, the pilot, Maj. James W. Bradbury, 34, telephoned the base to report he had ejected himself and was not injured.

Navy Retires Marin Man As Admiral

John F. Flynn of 25 Sea Wolf Passage, Mariners Cove, Corte Madera, retired yesterday in the rank of rear admiral after 29 years and five months of commissioned service in the Navy.

In World War II Flynn served as a gunnery officer, executive officer and commanding officer, and in the Korean war he was commanding officer of an amphibious attack transport, the Logan. He also served as division commander of Destroyer Division 152, and later as commanding officer of the transport General A. E. Anderson, which carried troops and dependents to the Far East.

Rear Admiral Flynn was

JOHN F. FLYNN Navy man retires

awarded the Bronze Star (Combat), Gold Star in lieu of second Bronze Star and the Presidential Citation.

Marinite Injured In Highway Crash

One person was injured shortly after 1 p.m. yesterday in a two-car rear-end collision on Highway 101, about 200 feet south of the Hamilton Air Force Base main gate.

The California Highway Patrol said the accident involved northbound autos driven by Phillip K. Hanson, 25, of 350 DuBois street, San Rafael, and Edna Speaks, 33, of Vallejo. The latter was cited for driving without due caution.

Frances Davis, 57, of 10 Maple avenue, Kentfield, a passenger in the Hanson car, complained of a sore neck and a headache. She was treated by a physician.

Nearly three quarters of the grazing lands in the United States, about 750 million acres, are in the 17 Western and Great Plains states.

MUSICIAN MAY LOSE JOB OVER RUDE NOODLING

LONG BEACH (AP)—Is Harman H. Tafarella a rude noodler?

"Yes," says Samuel E. Vickers, Long Beach city manager, who is trying to fire Tafarella from his job as clarinetist with the municipal band.

Tafarella from his job as clarinetist with the municipal band.

Vickers charged Tafarella noodled when he should have listening to instructions from the band director. Noodles are the little scales musicians run through when they're warming up.

Two Cars Collide At Intersection

Entering a Santa Venetia intersection yesterday afternoon, an elderly woman had "no time to brake" and struck another car which was there first, she later told the California Highway Patrol.

Susie Minerva Donaghy, 67, of Santa Rosa, accordingly drew a patrol citation for failure to yield the right of way after hitting a car driven by Gary Allen Chezem of 135 Vendola drive, Santa Venetia, as both were at Adrian and Mabry ways.

Mrs. Geraldine Chezem, 24, wife of the driver of the second car, was thrown out and sat down hard on the roadway. Bruises on the affected area were treated at San Rafael General Hospital.

LANGUAGE VICTIM — Brooke Johnston put her all into pronouncing a word in Russian language class at the University of Louisville, (Ky.) and dislocated her jaw with a overeager articulation. At first she couldn't close her mouth, and after a doctor finally turned the trick she spent two weeks trying to open it again. Her physician thought she should get a good grade in Russian "for throwing herself into it so wholeheartedly." But Brooke has another idea. She dropped the course. (AP Wirephoto)

Theft Reported 3 Weeks Later

An old burglary of \$2,000 in cash and \$700 in defense bonds was reported Friday by Paul Schmidt of Box 257, North San Pedro road, north of San Rafael.

Schmidt told sheriff's deputies he had discovered the money and bonds gone from an unlocked trunk in his home on Oct. 7 but had not reported the loss at the time. He said there was no sign of forced entry, and his home was not ransacked.

The bonds were in \$25 denominations, and the cash in 10's and 20's. Schmidt lives alone.

When Madame Curie, the discoverer of radium, came to the United States in 1929 she was the guest of President Hoover for several days at the White House.

CHESSMAN'S WEIGHTY APPEAL

Caryl Chessman's latest appeal to the U. S. Supreme Court was filed today by his attorney, George T. Davis of San Francisco, who is shown here outside the court building in Washington, his arms filled with 11 copies of the 330-page appeal brief, prepared by convict-author Chessman in his San Quentin Prison Death Row cell. Chessman has been on Death Row for more than 11 years. (AP Wirephoto)

BABY

Continued from page 1
can Veterans. "She wants to add another bedroom and bath on the house so we can handle a few more." He added that he was all for the idea.

"Are we going to get to keep him?" the older boys chorused.

Paul yesterday made a special trip to early mass to pray that Joe could stay with them.

The trim house where they have lived for three years attest to the efficiency of the boys in doing their share of the chores.

"They make their beds, mow lawns, wash dishes and baby-sit," the young mother said with a note of pride. "And look at the swimming pool we built together!"

The pool was built by Mrs. Keading and the boys in two weeks and two days. "We dug it ourselves and hauled away the dirt a sackful at a time in a little imported car we had," she related. "How many contractors could get it built that fast?"

The pool, incidentally, is where she has taught more than 20 neighborhood children to swim.

Mrs. Keading said she was given the baby because the welfare department knew she was able to care for a tiny infant. Until a week ago she had been taking care of a boy three months old.

"We once tried to adopt a baby and all the girls in the neighborhood gave me a shower. We didn't get the baby, but we still have the baby equipment," she related.

Despite the children, Mrs. Keading still finds time to serve as vice president of the D.A.V. auxiliary, and until a short time ago was active in the Parents' Club.

"I dropped out of that because I prefer to spend my time with my own kids," she said.

Her favorite and only charity?

Father Flanagan's Boys Town, naturally.

MARIN FIRE CALLS

SATURDAY:
11 p.m., Novato—Bale of straw ignited at corner of First and Marbella streets by Halloween pranksters; blaze extinguished without damage.

YESTERDAY:
12:45 p.m., Tamalpais Valley—Illegal burning of grass at 157 Lark lane; no damage.

2:26 p.m., Novato—Fire in wastebasket in Nave Apartments at Grant avenue and Highway 101; flames damaged floor, sub-floor, curtain and chest of drawers, cause undetermined.

4:25 p.m., Corte Madera—Report of car fire on Highway 101, south of San Rafael investigated by firemen; none found on arrival.

4:45 p.m., San Anselmo—Fire box alarm at Los Angeles boulevard and Monterey terrace proved false.

10:45 p.m., Marin City—Overheated water heater burst at House 746; shut off by firemen.

Planners Approve Use Of Home For Church

The Marin County Planning Commission today agreed to permit the continued use for one year of a residence at 350 Blackstone drive, Marinwood, for church and Sunday school services and other activities of the Church of the Nativity.

Monte Maria Board Meet Set Tonight

Means of financing landscaping of the street center strips in Monte Maria subdivision will be under discussion tonight when the Monte Maria Community Services District board meets at the Lynwood School at 8 o'clock.

"We are anxious to complete our financial arrangements and get the landscaping under way before any possible incorporation of Novato," said E. Donald King, president of the board. "We realize the new city council will have its hands full with other matters and we don't want to overload them with our problems."

The community services district, created by a vote of the residents last month, would dissolve in the event of incorporation. It would remain in existence in name only, King said, long enough to repay any indebtedness incurred in the beautification program.

The first Monday of each month has been set as the regular meeting date for the new district board. All meetings are at the Lynwood School.

ALP-CLIMBING AGAIN TAKES HEAVY TOLL

ROME (AP) — At least 281 persons died climbing in the Alps this year.

Foolhardiness of amateur mountaineers once more was described as a main reason. Sudden weather changes were another factor.

Last year 283 were killed. The record is 383 in 1957.

Jail Term Given In Marijuana Case

Vincent G. Phillips, 22, San Rafael mechanic, must spend 30 days in county jail and remain on three years' probation for marijuana possession, Judge Thomas F. Keating of Marin Superior Court ruled today.

The judge noted that Phillips has a clean past record and allowed Phillips the privilege of work furlough from the county jail. The judge ordered the convicted man to refrain from the use of narcotics and not to associate with narcotic users.

Phillips was arrested Sept. 15 by San Rafael police, who found several packages of marijuana under the floor boards of a garage at Phillips' home, 2015 Fifth avenue.

Hearing Slated In Nurse Firing Case

A public hearing for county nurse Laura D. Sypin will be held Friday morning in the county courthouse before the Marin County Personnel Commission.

Commission Chairman Julius Selinger announced that the hearing is set for 9 a.m. in the supervisors' chambers.

Miss Sypin, supervisor nurse at the Marin County Hospital and Farm, was dismissed in September on several allegations including failure to follow instructions of doctors and discourtesy to others.

Miss Sypin denied the allegations and asked for a hearing to fight for reinstatement.

Bursa, a center of silk manufacture, was once the capital of Turkey.

The permit was originally granted in 1957 and renewed last year. The planning staff pointed out that the situation in regard to church sites in Marinwood should be settled in the reasonably near future.

The commission also granted a permit to allow the continued maintenance of a trailer court by Orville J. Yerian on property in Forest Knolls. The original permit was granted in 1948 and has been subject to renewal every two years.

The planning staff noted that the master plan for the area should be completed within the next two years, and perhaps by then a permanent use could be permitted.

A grading plan for the proposed Harbor Point Beach Club (Marin Land Co.) on the east side of the Strawberry peninsula was approved and the land use plan was continued to the next meeting of the commission.

An application for adjustment from Brooks Hinton to permit a parcel of land in a two-family residence district at 11 South Knoll road, Mill Valley, to be developed for a multiple residence use, or for one- or two-family residences, was continued. Hinton was asked to bring in a new plot plan for division of the parcel into two duplex sites.

About 10 letters of protest against granting an adjustment to Hinton were heard from residents in the neighborhood.

The commission also:

1. Denied an application for adjustment from Gordon Falk to permit construction of a single-family residence at 135 Laurel Grove avenue, Kentfield. Construction already is underway.

2. Agreed to withdrawal of an application for architectural supervision from Construction Supply Corp. for construction of a warehouse on Highway 101 and to hear an application for rezoning of a different parcel of land Nov. 16.

3. Granted applications for sign permits from Standard Oil Co. for "Chevron" stations in Marinwood and Novato, and from Charles J. Hendrickson for signs identifying the entrance to Seadrift Subdivision and a direction sign on private property at Stinson Beach.

Driver Injured In Sudden Car Stop

Mrs. Grace Radey, 53, of 704 Las Colindas avenue, Terra Linda, stopped her car suddenly to avoid an accident last night and as a result suffered fractures of her right knee and left elbow.

Mrs. Radey was reported in good condition today at Marin General Hospital where she was taken by her daughter, Mrs. Lorna Lewis, of the same address. Mrs. Radey told her daughter that she had stopped suddenly on Highway 101 at the entrance to Terra Linda when another car went through a red light.

Mrs. Radey, after being injured, drove to her home before being taken to the hospital. The accident was not reported to any official agency.

Loma Verde Meeting

Gordon Walker, representative of the Trousdale Co. and manager of the Marin Golf and Country Club Estates, will speak to the Loma Verde Homeowners Assn. tonight at 8 o'clock at the Loma Verde School, it was announced today by James A. Swenson, association president. Trousdale Co. is developer of the subdivision.

STOCKS TODAY

NEW YORK (AP)—The stock market closed with an irregularly lower trend today despite selective strength. Trading was heavy in final dealings. The ticker tape was late.

Volume was estimated at 3,100,000 shares compared with 3,560,000 on Friday.

Gains and losses of fractions to about a point were shown by most key stocks but a few issues spurted far ahead.

Goodyear advanced more than six on hopes of a stock split. A similar gain was made by City Products on talk of better earnings.

American Motors soared about five points, making another new high. Studebaker-Packard recouped about a point.

(The following closing prices of representative New York stocks supplied by Irving Lundborg & Co., San Rafael, member, N.Y. Exchange.)

THAT DOGGIE HAS GONE OUT THE WINDOW

HOLLYWOOD (AP)—A few years back, singer Patti Page made a big record called "How Much is That Doggie in the Window?"

Well, she got her dog, all right. But now the little rascal has gone out the window, so to speak.

Miss Page reported to police that her terrier—named "Window" after the hit song—is missing. She said it vanished from her home in the Sunset Strip district.

Insane Killer Escapes From State Hospital

A man once certified insane by a Marin County Superior Court jury and thus delivered from San Quentin's Death Row walked away last night from Atascadero State Hospital.

Erwin W. (Machine Gun) Walker escaped execution in the gas chamber in April, 1949, after a suicide attempt the night before he was to have died. Found "terrified, babbling and incoherent," the 42-year-old former Glendale policeman, convicted of shooting a highway patrolman to death, has been under state hospital care for a decade. He has been considered harmless, according to officials at Atascadero State Hospital.

Though kept the last two years under conditions where he could have walked away at any time because of his docile attitude, melodramatic happenings attended the Marin County sanity hearing where it took the jury only seven minutes to decide Walker had lost his mind.

Before Okinawa service during World War II, Walker had been regarded as a near-genius, but after he had seen his best friend killed he turned abnormal, stole machine guns and ammunition, robbed Los Angeles stores and stole cars. He was sentenced to die for killing a policeman.

At his sanity hearing he sat with arms, knees and ankles bound, and at intervals strained violently for release while snarling at his guards.

Well Named

OKLAHOMA CITY (AP)—Two persons applying to the state wildlife department for fish to use in stocking ponds were William Fish and Sam Bass.

San Quentin Inmates Assist In Fire-Fighting

Major forest fires starting in the vicinity of Highways 40 and 50, and closing both for a time, have been moving toward each other and are likely to meet today, Associate Warden Walter D. Achuff of San Quentin Prison reported after returning around 3:30 a.m. from first-hand investigation.

Achuff went into the Placerville area to check up on the activities of 100 San Quentin inmates sent there Friday. Another 80, who left early Saturday, went to St. Helena area rather than Placerville as reported. The second party is expected back tomorrow.

"Our men are running a kitchen and feeding more than 1,000 of the fire-fighters," said Achuff. "There are somewhere between 3,000 and 4,000 men engaged in the fight."

"Additional to our men there are 50 from Tehapachi, 60 from Chino, 60 from Soledad and 70 from Folsom."

Two San Anselmo firemen have joined the battle to quell a raging Sierra County timber

fire in Tahoe National Forest, south of Camptonville.

Robert Marcucci, a son of Fire Chief Nello M. Marcucci and Richard Lamb left for the fire lines at 1:30 p.m. Saturday in a fully equipped Civil Defense fire truck. The 1,000 gallons per minute pumper carries a radio transmitter and receiver.

The forest fire was reported 50 per cent contained late yesterday. Sheriff's deputies Saturday night evacuated 12 families living on the outskirts of Camptonville when the fire crossed Highway 49 at one point.

(See story on fires on page 12).

Bay Fliers Speed Men To Fire Sites

The Bay Area's Golden Gate reserve wing at Hamilton Air Force Base yesterday sent five C119 transports into action to combat forest fires in the Mother Lode country.

This brings to nearly 1,000 the total military personnel—800 Air Force and 200 Army—who have joined forces with state and local authorities to fight the blazes.

Hastily alerted air reserve crews were at the controls when the twin-engined aircraft flew to Monterey, where they picked up some 200 Army troops from Ft. Ord. From Monterey, the troops were airlifted to Sacramento, where forestry officials whisked them in Greyhound buses to the stricken areas.

Fourth Air Force at Hamilton Air Force Base has been directing Air Force fire-fighting activities since Saturday morning.

6 Youths Arrested In Party-Crashing Riot

Six Marin youths were hauled off to jail Saturday night after a squad of sheriff's deputies broke up a Halloween party-crashing riot in a quiet Greenbrae residential area.

The trouble started shortly after 10 o'clock at the 15 Eliseo drive home of Mr. and Mrs. Thomas R. Harriman. Officers said an orderly party for young people was in progress when a number of uninvited "guests" appeared at the door.

Mrs. Harriman repeatedly asked the youths to leave, but her pleas fell on deaf ears. Deputies said she reported one boy threw a rock at her, others pulled up and trampled the shrubbery and still others invaded the living room, dumping mud and beer on the carpet.

When the first group of deputies arrived, a free-for-all fight was in progress on the front steps and lawn. Three youths were placed in a patrol car.

Moments later, they leaped from the vehicle and ran to the back yard. One made good his escape and was not identified. Recaptured by force were two 18-year-olds, Clifton David Belknap of 50 Berens drive and Frank Joel Cotton of 24 Ever-

green drive, both Kentfield. They were taken to the sheriff's office, where Mrs. Harriman signed citizen warrants charging them with disturbing the peace. Charges of resisting arrest also were lodged against the pair.

Booked at the county jail, they were released early yesterday on \$577.50 bail each and ordered to appear in Marin Municipal Court at 1:30 p.m. today.

Citizen warrants charging assault with a deadly weapon and disturbing the peace also were signed by Mrs. Harriman against the alleged rock thrower, Michael William Plunkett, 19, of 45 Hickory road, Fairfax.

Deputies called to the Harriman home as reinforcements arrested Norman Edward Harris, 18, of 23 Creek road, Fairfax, serving in the Navy aboard the USS Salisbury; Leroy Grundhauser, 21, of 9 Ross street, San Rafael, and Fred Kitzmiller, 20, of 200 Red Hill avenue, San Anselmo.

Harris was charged with disturbing the peace and resisting arrest. The officers' report said he had to be handcuffed after becoming violent and using loud, profane language.

Kitzmiller and Grundhauser face charges of illegally possessing beer. Deputies said they found eight cans in the youth's car. Grundhauser also was charged with contributing to the delinquency of a minor.

Harris and Plunkett were released on bail of \$683 and \$787.50, respectively. They were to appear in municipal court today at 1:30 p.m.

Bail for Grundhauser and Kitzmiller is \$262.50 and \$105, respectively. No date has been set for their court appearances.

Burglary Reported In Corte Madera

Thieves entered the Crown Roof and Fence Co. on Highway 101, Corte Madera, Friday night and made off with blank checks and a check protector, according to M. Michel, owner of the firm.

Marin County sheriff's deputies investigated the break-in.

Michel said he thought entry was gained through a window. He said no cash was kept in the store.

Locked cabinets were broken into and records strewn about but a safe was not touched, he said.

Airman Arrested For Auto Theft

An alert San Rafael policeman spotted a stolen car early Saturday at a gas station at Fourth street and Lincoln avenue. He "staked it out" and in a few minutes stopped a man who attempted to enter the vehicle.

Patrolman Richard Douglas then arrested Leroy E. Valentine, 20, of Hamilton Air Force Base, on a stolen vehicle charge.

The car had been reported stolen yesterday from Andrew Mills of the 78th Transportation Squadron at Hamilton.

Cub Pack To Meet

Parents will present craft suggestions at a meeting of Cub Scout Pack 39 at 8 o'clock tonight at Santa Venetia School. The pack inducted six new members at its meeting last night. Chris Hill, Ken Lazzarini, Duane Swanson, John Armini, John Bruce and John Gilmomini were inducted by Bill Saleme, assistant Cubmaster.

TODAY'S EDITORIAL

Aubrey Drury Fund Could Help Save The Redwoods

It was unfortunate that a battle over withholding of news concerning a major threat to some of California's most historic redwood trees should temporarily eclipse the fact itself.

There is great danger to some of the Redwood Empire's famous attractions. Hundreds of cathedral-like groves in Humboldt County are threatened by flood water from streams which formerly were only a fraction of their present size.

The world's tallest tree, 17 feet in diameter and 350 feet high, is threatened by Bull Creek. Once only 50 feet wide at its widest point, the creek has slashed itself into a 350-foot rocky bed and edged only 40 feet from the historic tree. A stormy winter could destroy the tree as easily as the 1955-56 winter uprooted more than 300 of its giant neighbors.

Cause of all this is imprudent logging practices which have stripped the Bull Creek watershed. Waters which were retained in the soil when caught by the roots and the foliage of a redwood forest, now race over cleared hillsides and down the creek toward the ocean, scooping out new paths and leaping over the creek's banks as they go.

Unhappily, just at this time, the red-

woods have lost one of their most effective defenders. Aubrey Drury, noted writer and conservationist of Berkeley, and well known in Marin, died just 10 days ago. His brother is Newton R. Drury, former chief of the State Division of Beaches and Parks. Aubrey Drury's name was practically synonymous with the Save-The-Redwoods League, the California Conservation Council and with the California Historical Society.

Yet even without Drury's leadership, a battle is being organized to save the famous Rockefeller forest and other Humboldt redwood groves. Charles A. DeTurk, Newton Drury's successor as beaches and parks chief, has proposed a program which calls for state acquisition of 18,000 acres of the Bull Creek watershed, installation of check dams to stop undue erosion, and development of a huge recreational area.

Some state money is available, \$230,000 at the present time, for the project. But DeTurk has warned that more money will be needed and that some of it must come from private contributors.

We can think of no better tribute than the establishment of an Aubrey Drury Fund to aid the state in its proposed project of saving the redwoods.

THREE MINUTES A DAY

By JAMES KELLER

DO MORE THAN FIND FAULT

"Better to light one candle than curse the darkness" is the motto of the Christophers. It can remind any and all that the smallest constructive word or deed is far more valuable than any amount of faultfinding.

It is easy to slip into the habit of complaining and criticizing. But little if anything comes from such a negative approach.

Rather than sit on the sidelines bemoaning evil trends and waiting for the world to fall in on top of you, do your part to meet the big problems of our day.

The smallest effort to right what is wrong

HAL BOYLE'S COLUMN

U.S. Juke Boxes Take In Nearly \$1 Billion In Small Coins Annually

NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:

What are your longevity prospects after you reach 65? Two out of four will live to 75, and one of every four will make it to 85 or beyond.

Juke boxes in the United States now take in nearly a billion dollars yearly in small coins. Think what a musical culture America might have if the same amount were spent on symphony orchestras!

A reader writes in to ask if we knew that in Charleston, W.Va., it's illegal to burn down your home unless you first remove the roof. Nope, next question?

Our odd authors: Marcel Proust, who suffered from asthma, wrote in a cork-padded room to keep out annoying smells and sounds.

Food fact: The word salad, or sallet as it was spelled in

the 17th century, originally meant merely something salted.

Our quotable notables: "Life," said Horace Walpole, "is a comedy to those who think—a tragedy to those who feel."

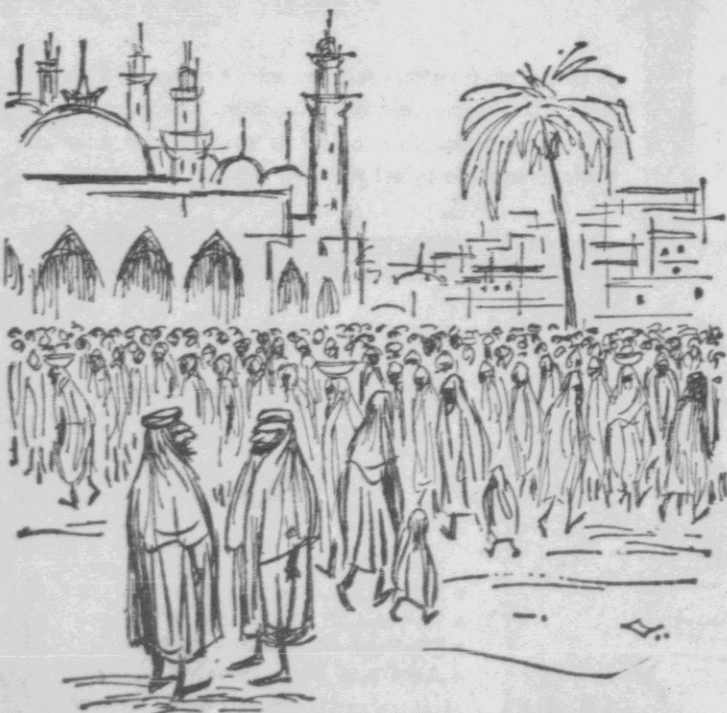

Motherhood table: It takes 18 days for a pigeon to be born, 28 days for a rat, 280 days for a human being, 10 months for a whale, and 21 to 22 months for an elephant.

One hears of a smoke-filled room being a prelude to the presidency, but many U.S. presidents never acquired the smoking habit. They include Harry S. Truman, Abraham Lincoln, and Thomas Jefferson. Woodrow Wilson tried smoking once, got sick and quit. George Washington hated tobacco smoke so much he grimaced when he had to join Indians in puffing the peace pipe.

You can amaze your friends

THE CYNIC'S CORNER

By Interlandi

"I'm not worried about the H-bomb, I'm worried about the population bomb!"

REMEMBER WHEN

10 YEARS AGO

Hugh C. Wood announced a second petition to the Army Engineers for a permit to build more covered yacht berths along the southerly side of San Rafael canal. The new basin was to be 4,000 feet downstream from Irwin street on the bend of the canal and house 30 to 35 boats.

20 YEARS AGO

Pacific Gas and Electric laid its first welded 10-inch high pressure gas line in the new system being installed from San Rafael to Alto, departing from the usual screw connections of large diameter high-pressure gas lines. A six inch connection from Greenbrae to San Quentin, two miles, will bring first natural gas to the state prison for industrial uses.

Fluoride-Fallout Mixture Deadly

EDITOR, Independent-Journal:

Though some folks feel they possibly "violate" professional ethics standards, the Marin fluoridation-promotion team of Loran and Loran (dentist and Mrs. Loran) is a real cozy demonstration of togetherness. They were to be heard Oct. 29th on KTIM's Sounding Board show, which, alas, was off the air for all but the question period, due to power failure.

Ignoring all scientific documents to the contrary, Loran and Loran vigorously assure

and reassure us there's no danger whatsoever in drinking artificially fluoridated water. No harm therefrom has been proven, say they.

Now here's a real puzzler: Many statements establish no harm has absolutely been proven from atomic fallout. Whether everyone accepts this or no isn't the point. The point is that the Lorans have protested continuance of atomic tests in the U.S. because they sincerely believe in resultant damage.

These two persons, so concerned over atomic radiation damage as to protest to the President of the U.S. — suddenly toss aside all concern over putting into the public

water supplies an exceedingly dangerous poison for mass medication. This is a poison, remember, which, having neither taste nor odor, could, due to faulty pipe lines, reach kitchen faucets in a much higher than planned concentration — thus becoming a lethal dosage . . .

Now it's to be assumed that Dentist and Mrs. Loran keep themselves fully informed on all sides of the fluoridation issue — being so concerned with children's health, particularly. Surely they'd not wish to be guilty of promoting something which turned out to be one of the greatest and most dangerous hoaxes of all time.

The possibility of fluoridation and strontium 90 damage when combined can't be ignored.

If then the Lorans are so mightily disturbed over possible atomic-fallout damage, why wouldn't they be equally disturbed about possible artificial fluoridation damage — and particularly about the combination of the two as a fearful menace to the health of the nation.

R. W. Emerson Says He Didn't

EDITOR, Independent-Journal:

One of the imps of my personal hell has brought to my notice your man William's column of 28th inst.

I must make it clear that I never met the Helen Bingham who wrote the atrocious book IN TAMAL LAND, to which Mr. Williams says I wrote the introduction.

She published her opus in 1906, I hear, whilst I descended here among the coals in 1892.

RALPH WALDO EMERSON (Address not given)

(NOTE: But it was post-marked Corte Madera!)

TRY AND STOP ME

BENNETT CERF

Young Michael's report card consisted of four D's and two F's, and he realized that if he showed it to his father, a trip to the woodshed would undoubtedly result. So he carefully scratched out the marks and replaced them with six A's. Michael's father, amazed but gratified, signed the card. Two days later he received this note from Michael's teacher: "I have the honor to report that your son has just been awarded another A — for forgery!"

A party of tourists assembled for a trip down the shaft of a coal mine. An old man at the gate noted one girl dressed up in pure white and said, "I wouldn't advise you to go down dressed like that." The girl responded huffily,

"Is there some rule to keep me from wearing a white dress down this mine?" "There's nothing at all to keep you from wearing it down," nodded the old man, "but there'll be quite a lot to keep you from wearing it back."

Those Who Came In Contact With Larry Lovett Express Their Sorrow

Friends of Larry Lovett, Independent-Journal news bureau manager for southern Marin, who passed away last Sunday, have expressed their sorrow at his passing, in a way that few newsmen are ever remembered.

During the past few days those persons Larry contacted in his daily round of news coverage have expressed their feeling of a real, personal and irreplaceable loss.

IN SAUSALITO, the Rotary Club heard a special prayer for him, and president Dr. Ronald B. MacKenzie talked about Larry as "our good friend." Larry was not a member of the club.

In Mill Valley, Archer Forsyth, retired real estate broker, and his wife, expressed their condolences. They came together to the Mill Valley office to report how Mill Valley Rotary Club President Robert Andresen gave a Memorial talk on Larry at last week's meeting.

Mrs. George Pritzker of Mill Valley, a member of the Mill Valley Masquers who is in charge of the city's children's summer theater, said Larry did more for little theater in Marin than any one other person.

ORGANIZATIONS throughout Southern Marin adjourned their meetings this week out of respect to the memory of Larry Lovett.

The board of directors of the Mill Valley Chamber of Commerce called him "a well respected and loved member of the business community."

The Council of Mayors expressed sorrow at his passing. So did Mill Valley School Board and Sausalito City Council to name a few.

Every policeman and fireman in Southern Marin knew Larry. And they said as of

one voice: "You won't find another fellow like him. He will be hard to replace."

Rupert E. Kempf of Sausalito, president of the College of Marin board of trustees, knew Larry in the University of California glee club, and as "Tiny" Lovett, the young man who organized a band to work his way around the world on a ship cruise.

THESE ARE EXERPTS from some of the letters received:

Almonte Sanitary District: "Mr. Lovett's fair, faithful and accurate coverage of the events in our district have been invaluable to the board in the performance of its duties. In his passing we feel we have lost a dear friend."

Janet M. Taylor, President, Almonte Improvement Club: "Like so many others in the county, I knew Larry only over the telephone when he'd call each month to check on the club's activities. 'Well, what did you do last night?' he'd say in his cheery voice, and after two years I looked on him as a personal friend."

SAUSALITO SCHOOL District: "Larry was a true gentle man of the press who reported the facts honestly and accurately and will be remembered as one of the finest newspapermen with whom we have ever had the pleasure of working."

Sausalito Little League: "Larry supported our cause with many interesting stories and helped us over the rough spots when we needed help. His efforts will not be forgotten in our hearts. Along with another friend, the late Clara Crosby, Larry has won a spot in our Hall of Fame."

Many, many friends have told of their sorrow, too many to set them all down here.

HENRY MacARTHUR

Many Eyes Watch Helen Nelson As She Starts As Consumer Counsel

SACRAMENTO (CNS) — A good many eyes are on the new position of "consumer counsel," created by the 1959 legislature at the behest of Gov. Edmund G. Brown. He filled the post recently with the appointment of Mrs. Helen Nelson, of Mill Valley, at \$14,000 annually.

The new job is regarded by the governor as one of necessity for California, as he feels consumers, the little people with all those votes, are getting somewhat of a rough deal in certain fields.

ON THE OTHER hand, some of the opponents of the job characterize it privately as "the biggest waste of public money" in the Brown administration.

Only time will answer whether the newly-created job will accomplish its purpose. Until the proof is in, it will be difficult to judge whether the expenditure of public monies on it is justified.

But meanwhile, the question has arisen as to whether the governor plans to use the consumer counsel's office to change the course of private business in California.

AT A MEETING of the governor's counsel, where Mrs. Nelson was introduced, Governor Brown said the state is giving a monopoly to savings and loan associations and giving them a license to charge extraordinary interest rates. "You might advise us," he told Mrs. Nelson, "whether to throw this industry open so that anyone can get into it and make it more competitive, or whether we need more licensing regulations."

The governor's comment on the building and loan associations, depending, of course, on what investigations develop, could start a long line of legislative activity at the 1961 session.

Legislation would be necessary to accomplish any of the objectives the governor mentioned. And if legislation were proposed by the consumer counsel, the procedure would

be somewhat different than that used in the past to accomplish major changes in an industry.

IN THE PAST, the suggestions for such changes usually have come from lengthy investigations by legislative committees, which hold hearings and obtain testimony on both sides before attempting to rewrite regulations.

Any one, of course, can propose legislation, but the question usually is how far it will move without the authority of a legislative committee and a legislative investigation behind the proposals.

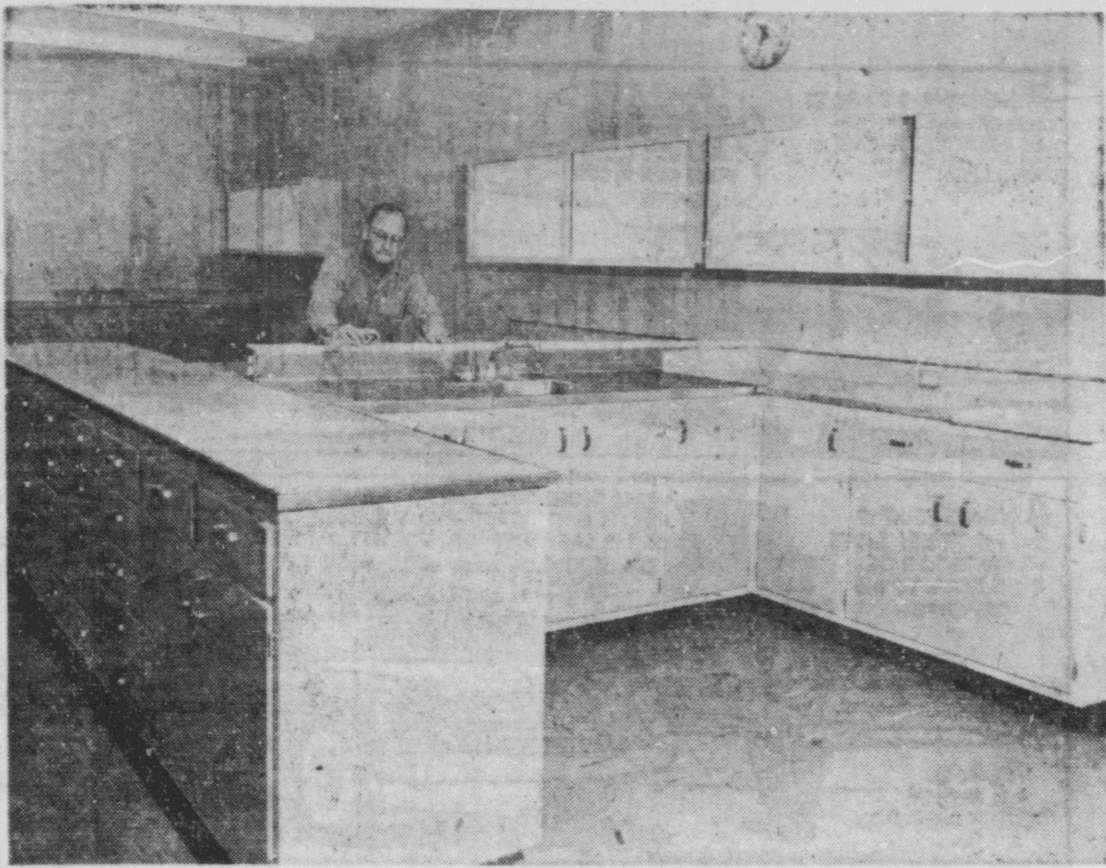

Another field the governor mentioned for scrutiny of the consumer counsel was that of milk pricing. He suggested that Mrs. Nelson, when she goes to the Department of Agriculture, look into the price-fixing operations of that department.

IN THIS, THE STATE will not be alone. The federal government at the present time has investigators in California attempting to ferret out information not only on price-fixing, authorized by law in California, but also in dealing between distributors and producers.

The Country Parson

"I can remember when we were shocked if church members played cards — now we wish they would instead of some of the things they are doing."

SETTING FOR EXPERIMENT — Revolutionary new school lunch program, involving use of pre-packaged, pre-frozen, pre-cooked heat-and-serve

lunches will start functioning tomorrow in this kitchen at new Henry C. Hall School in Larkspur. (Independent-Journal photo)

New Larkspur School To Inaugurate Revolutionary Lunch Program

A revolutionary school lunch program will be inaugurated tomorrow when the new Henry C. Hall Elementary School opens in Larkspur.

First of its kind in the United States, the program will involve the use of frozen, pre-cooked, heat-and-serve lunches packaged in aluminum foil. The Larkspur School District board will try the unusual system on a three-month experimental basis. If it proves financially successful, and is well received by pupils and parents, the plan may be extended over the full school year.

Supt. Vaughn D. Seidel believes it will result in a savings to the district of at least five cents per meal, thanks to drastic reductions in costs of labor, equipment and utilities. The school board has entered into a contract with Ralph Church of Orinda for supplying the heat-and-serve lunches. Church, who was a pioneer in the vending machine business 30 years ago, is forming a corporation for the new and novel service. Seidel said the district is buying 2,000 lunches at a time

and storing them at Marin Frozen Food Lockers in San Anselmo, as well as a freezer in the school kitchen.

Each luncheon unit (there are 40 units to a carton) contains a foil-wrapped entree, bread or rolls, butter, dessert, plastic spoons and forks, straws and napkins.

The kitchen will have only one employee, Mrs. Winifred Keppel, and she will work only three hours a day. Her job will be to remove the lunches from the school freezer and place them in a special oven which has heating units on the top and bottom and all four sides. Church is supplying the freezer and oven.

While the entrees and breads are heating for 20 minutes, Mrs. Keppel will set the desserts out in their individual containers and place them on plastic dollies, along with the utensils, napkins and straws.

When the steaming-hot main dishes, still encased in aluminum, are ready, they too will be put on 18-by-18-inch dollies. After paying his 30 cents (teachers must pay 40 cents),

the child will lift up the corners of his dolly, pick up the plastic package and his milk carton and go to a table. Then he will pull the dolly apart, smooth it out and find everything good to eat before his eyes.

The top of the aluminum container for the entree is easily stripped away, with the container itself saved for handy disposal of all refuse from the luncheon unit.

After the meal is finished, everything remaining, including the container, utensils and milk carton, is wrapped in the plastic dolly and dropped in a disposal can.

"This system lacks the purchasing, cooking, scullery and disposal problems," said Dr. Seidel. "Normally we would

have to pay to have the refuse hauled away. But special arrangements have been made with a scavenger who will pay the district a nominal amount for the scrap aluminum."

Ten different menus are provided in the frozen units. Tomorrow's inaugural menu will be hot dog on bun, corn with pimento, cheese slices and applesauce, plus milk which is supplied separately.

"Under the normal program," Seidel said, "we would employ two kitchen people for a total of about 12 or 13 hours a day. We figure to save about \$16 a day on labor alone."

Henry C. Hall School, named after the district superintendent of 1907-27, will have an

enrollment of 276 pupils when it opens tomorrow. It was built at a cost of \$376,115, including architect's fees and inspection. Builder was W. J. Kubon Co. of San Rafael. The district paid the City of Larkspur \$21,500 for the 10-acre site and spent a whopping \$215,476 to have it filled.

The kindergarten through eighth grade school was partially paid for with a district bond issue of \$257,000, the balance coming in state aid.

It has a multi-use room, administrative unit, shop and homemaker room in addition to eight classrooms and kindergarten. Principal is Mervin Gootherts, 39, a former eighth grade teacher at Larkspur-Corte Madera School.

Policeman Graduates

Wade Powell of the San Rafael Police Department was graduated Saturday from the Northern California Peace Officers School conducted by Diablo Valley College. Powell

Motorcycle, 2 Cars Stolen Over Weekend

Two cars and a motorcycle were reported stolen in Marin County over the weekend.

Larry E. Leibnitz of 1286 Sir Francis Drake boulevard, San Anselmo, reported the theft of his blue 1953 Chevrolet four-door sedan from a city parking lot at Lincoln avenue and Francisco boulevard, San Rafael.

Leibnitz told police he left the vehicle at 10:50 a.m. Saturday and discovered it was missing at 8:30 p.m. It carries California license number DKZ-126.

A 1935 Ford four-door sedan was reported stolen from a Mobil service station at Third and A streets, San Rafael. Robert J. Wallerman, an employee of the station, reported the loss.

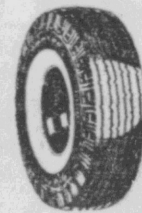

Wallerman, who lives at 187 Woodland avenue, San Rafael, said the car was taken while he was gone for about 45 minutes Saturday night. He returned at 7:45 o'clock. The old vehicle, painted dull gray, bears license number DLH-941.

Sausalito police said Richard R. Carter of 102 South street, Sausalito, reported the theft of his 1952 A.J.S. motorcycle sometime between 6:30 and 9:30 p.m. Saturday. It was parked by his home.

received a certificate at a luncheon ceremony at the junior college campus.

STATE STATISTICS SHOW:

Marin's Probation Cases 2nd Lowest In Bay Area

Marin County had 288 active adult probation cases within its jurisdiction as of last Dec. 31—the second lowest number among Bay Area counties. Also on the books were eight active courtesy cases from other counties and states.

The county had 459 active juvenile probation cases as of Dec. 31—also the second lowest number among Bay Area counties.

These statistics are contained in a recently issued compilation by the Bureau of Criminal Statistics on "Delinquency and Probation in California" for 1958.

On Jan. 1, 1958, Marin had 354 active juvenile probation cases. A total of 809 was referred during the year, and 704 were closed.

Other statistics gleaned from the report:

Of the 809 cases referred during 1958 in Marin, 533 were for delinquent acts and 166 because of dependency, neglect or parental abuse.

In 1958 Marin had an average of 19 juveniles per day in Juvenile Hall, staying an average of 15 days. A total of 470 boys and girls was admitted to juvenile hall in 1958.

Abduction Attempt Reported To Police

A 14-year-old San Rafael girl told police Saturday night she was grabbed by a dark, thin man who tried to force her to ride in his car.

The girl said she was walking east on the Miracle Mile when the man jumped out of a late model car and accosted her. She said she fled to the Nugget Drive-In Restaurant. The man drove off toward San Anselmo, she told officers.

WIRE NEWS BRIEFS From Everywhere

Why Are They Good?

SACRAMENTO (UPI) — The state Department of Corrections wants to know why young Chinese-Americans stay out of trouble with the law. The department said yesterday that it hopes to answer that question with a research project scheduled to begin in San Francisco next Monday.

Researchers will administer psychological tests to more than 50 young Chinese-Americans. The tests are expected to reveal their personalities, family ties, taste in friends and other factors.

Murphy Successor

WASHINGTON (UPI) — Livingston T. Merchant has been elevated to the No. 3 job in the State Department. President Eisenhower picked Merchant Saturday to become undersecretary for political affairs when Robert D. Murphy retires next month. He has been Murphy's deputy.

Held In Congo Clash

BRUSSELS, Belgium (UPI) — A European man and woman have been arrested in the Belgian Congo city of Stanleyville after spear and arrow fighting with police which took 20 lives and injured at least 16.

The Europeans are accused of teaching revolutionary techniques to African nationalist leader Patrice Lumumba, who also was arrested.

'Treat' Was Trick

FREMONT (UPI) — Charges of at least "malicious mischief" will be filed against the person responsible for putting strong laxative pills in the candy bags of nearly 50 Halloween "trick-or-treaters," according to police.

Thirty of the children who ate the mysterious pills suffered from diarrhea, vomiting and stomach cramps for several hours afterwards.

Inspector Lee Rieman said the pills—more than 450 in all—were traced to the home of a prominent dentist. However, he insisted that he gave the children only candy when they appeared at his home Saturday night.

Yank Turns Red

MOSCOW (UPI) — Former U.S. Marine Lee Harvey Oswald, 20, shut himself in his hotel room today to await a Soviet decision on his request for Soviet citizenship.

Oswald, of Fort Worth, Tex., decided to ask for Soviet citizenship over the weekend and handed in his American passport to the U.S. Embassy here. He refused to see reporters in his hotel room today and declined to discuss his background on the telephone.

Steel Strike Pinch

DETROIT (UPI) — The "Big Three" of the auto industry today began the worst November in 12 years with General Motors' work force cut in half, Chrysler layoffs mounting, and Ford feeling its first effects of the steel strike.

G.M. layoffs because of the strike stood at 185,000. Chrysler reported slightly more than 5,000 workers laid off across the country. Ford began to feel the impact of the long steel strike late last week. Officials announced many plants would begin three and four-day work weeks, to conserve their remaining steel.

Castro Aide Still Lost

HAVANA (UPI) — Fidel Castro today kept up the search for his missing army chief, Maj. Camilo Cienfuegos, but officials held slim hopes of finding him alive.

The 28-year-old commander vanished Wednesday on a 300-mile flight from Camaguey to Havana. Search by air, sea and land has failed to bring a trace of him or the plane.

Falling Tree Kills Girl

EPHRAATA, Pa. (UPI) — A giant oak tree, rotting at the roots, toppled on three girls yesterday, killing one and seriously injuring the others.

Air Pioneer Dies

LONDON (UPI) — James A. (Jim) Mollison, 54, famed aviator who made the first solo westward flight across the Atlantic, died Friday. He first achieved fame in 1931 when he set a record for the Australia-to-Britain flight of 8 days, 19 hours and 28 minutes.

Star's Home Looted

HOLLYWOOD (UPI) — Discriminating thieves with an eye for diamonds, mink and masterpieces took nearly \$80,000 in valuables from the home of actress Martha Hyer while she was at a Halloween party.

Missing were a Utrillo street scene she valued at \$25,000 and a Renoir she said was worth \$15,000, plus furs and jewelry.

Cardinal Dies

VATICAN CITY (UPI) — Federico Cardinal Tedeschini, 86, archbishop of St. Peter's Basilica, died early today.

First reports said death was due to an intestinal ailment for which he recently underwent surgery.

He was one of the senior members of the College of Cardinals, having been named a prince of the church by Pope Pius XI in 1933. His death reduces the college to 71 members.

Revolt In 6th Year

ALGERIA (UPI) — The Algerian nationalist rebellion against French rule began its sixth year yesterday with the usual daily hit-and-run terrorism and French military operations in the mist-shrouded mountains.

Terrorist attacks killed four persons and wounded 39 at various points in the North African territory.

Collision Kills 5

SUNNYVALE (UPI) — An explosive head-on collision between a sedan and a station wagon on Highway 101 near Moffett Field last night killed five persons and injured five others.

The accident occurred on the same stretch of roadway where five student nurses and a truck driver were killed last May 21.

GETTING UP NIGHTS

If worried by "Bladder Weakness" (Getting Up Nights or Bed Wetting, too frequent, burning or itching urination), Secondary Backache and Nervousness, or Strong Smelling, Cloudy Urine, due to common Kidney and Bladder Irritation, try OXYSTEX for quick help. Safe for young and old. Ask druggist for OXYSTEX. See how fast you improve.

Railroads Tell Goals To End 'Make Work'

CHICAGO (UPI) — The nation's railroads today present their controversial proposals for changing work rules to five railroad operating unions representing 210,000 members.

The proposals, which may turn out to be the most disputed in recent labor history, were made public yesterday by the Assn. of American Railroads in advance of presentation to the unions.

The issue about which the proposals center is what the railroads term "featherbedding" — forced payment for work neither done nor needed.

CLAIM BIG LOSS

The railroads claim present work rules for operating personnel cost them more than 500 million dollars annually.

These are the changes proposed by the railroads:

1. Revision of the 40-year-old pay standard, based on mileage, for engine and train crews to reflect increased train speeds.
2. Elimination of rules prohibiting crews from operating through present crew-change points, in order to end multiple changes on short train runs.

NO ARBITRARY LINES

3. Erasure of arbitrary lines drawn between the work that may be performed by road crews and yard crews.

4. Establishment of the right for management to determine when firemen should be used on diesel and other non-steam locomotives in freight and yard service.

5. Elimination of all rules which stipulate the number of crew members required.

6. Ending of rules which require idle standby operating employees when self-propelled equipment is used in track maintenance, repair or inspection.

Conducts Mission

Rev. Thomas Clayton and Rev. John Hamme, missionaries of the Society of the Precious Blood, are conducting a mission in Blessed Sacrament Church, Santa Venetia, which started yesterday and runs through Nov. 8. Besides the special daily morning masses, there will be mission devotions each evening at 8 o'clock.

'THINGS WERE QUIET'

Man Survives 1 1/2 Days In Wrecked Airliner

WAYNESBORO, Va. (UPI) — "Things were all quiet, no moans, no groans."

This was the way a 33-year-old union official described the aftermath of a crumpling impact against a Virginia mountainside in which 26 persons aboard a twin-engine airliner lost their lives. He alone survived.

"I yelled to see if anyone else was alive, but no one answered," said E. Phil Bradley of Clifton Forge, Va., as he told of his 36-hour ordeal in the wilderness after the crash of the Piedmont Airlines DC3 Friday night.

He suffered a dislocated hip and minor cuts.

Within a few hours after

Rutgers In Belgium

NEW BRUNSWICK, N.J. (UPI) — The ancient bell tower of the city of Bruges in Belgium rang out with a very different tune one morning.

Different, that is, to the residents of that city, but familiar to Rutgers men everywhere.

Dr. William H. Bauer, a member of the Rutgers University faculty who had been visiting Brussels, got permission to try out the carillon in the bell tower.

And what would a good Rutgers man play anywhere but, "On the Banks of the Old Raritan."

Allies Set Summit Talks For Dec. 1

WASHINGTON (UPI) — President Eisenhower and the heads of Britain, France and West Germany will meet in Paris Dec. 19 to work out a solid Western stand for talks with the Soviet Union.

Agreement on the date and place of the meeting was announced in the four capitals yesterday. The White House said Eisenhower will return here in time to spend Christmas with his family.

Prime subjects for discussion at the Paris meeting appeared to be:

1. When do the leaders meet with Soviet Premier Nikita Khrushchev in a summit conference?

2. On what issues, if any, will they compromise in negotiations with him?

Reports from London said that Prime Minister Harold Macmillan will go to Paris determined that the summit conference with Khrushchev be held in January or February. President Charles de Gaulle of France has insisted that the conference be delayed until spring, at the earliest. It is believed Eisenhower leans toward Macmillan's position.

On the second question, observers believe Macmillan is willing to make concessions to Khrushchev, settling the Berlin issue before reaching an agreement on German unity. But de Gaulle feels that the Soviets are responsible for the crises in the world. He believes that if there are concessions to be made, the Soviets must make them. Past statements of Eisenhower indicate he tends to agree with de Gaulle on this issue.

The fourth leader, Chancellor Konrad Adenauer of West Germany, will not attend the summit conference with Khrushchev.

At the Paris conference, Bonn sources indicate, Adenauer will confine himself to discussions of the German and West Berlin problems. He has warned the Western allies his government would not accept any summit decisions detrimental to German interests.

Bradley, who said he noticed his watch showed 8:40 p.m. moments after the crash, was first reached at the wreck scene by Air Force Sgt. John Weis of Pittsburgh.

"I was damned glad to see him," Bradley said.

The plane, en route from Washington to Roanoke, Va., was last heard from at 8:24 p.m. Friday, when the pilot requested landing instructions at Charlottesville.

The wreckage 18 miles west of Charlottesville was not sighted until 8:30 a.m. yesterday.

Bradley, seated near the rear of the plane, was thrown from the cabin strapped in his seat. Because of his dislocated hip he remained upright in the seat some five feet from the wreckage until rescuers arrived.

With a pole he managed to fish for a coat and blankets to warm him in the chilly mountain air.

Weis reported Bradley's first words were: "I'm all right. Go on up and see if anybody else is alive."

NO SUCH THING AS NATURAL BALDNESS SAYS HAIR EXPERT

CONDUCTS FREE HAIR AND
SCALP CLINIC NEXT 6 DAYS

Demonstration Treatment Next 6 Days
(With Money Back Guarantee)

J. E. MARCLEY
Scalp Specialist

J. E. MARCLEY
Noted Scalp Specialist
(California's leading expert, our 10th office has just been opened.)
**Will Show You How to
Stop Baldness,
Eliminate Dandruff,
Grow Stronger,
Thicker Hair**

J. E. Marcle, Famous Scalp Specialist, demonstrates new methods that stop hair loss, eliminate dandruff and grow stronger, thicker hair. Results are quickly noticeable. These amazing methods have made us California's leading experts, with 10 permanent clinics.
NO CHARGE MADE FOR SCALP ANALYSIS

WHAT IS THE TREATMENT LIKE?
Turoff treatment combines physical and chemical therapy. Among the exclusive formulae included in most treatments are fast-acting germicides, scalp cleaners and sub-scalp stimulants. The progressive steps of medication and treatment are easy to understand and follow, and from time to time as your hair and scalp progresses, the formulae are changed to meet your requirements.

HOPELESS CASES NOT ACCEPTED
Turoff treatment is not a "cure-all." Each of the 14 kinds of external scalp disorders requires a different therapy. For that reason we do not ever prescribe treatment without first making a thorough personal scalp examination. If your case is hopeless, we will tell you so. About 5% of those we examine fall into this group, not eligible for treatment. As a rule, if your scalp grows "fuzz" your case is not hopeless.

RESULTS ARE QUICK
J. E. Marcle, Famous Specialist, conducts a free hair clinic for the next 6 days. Let him give your scalp a professional examination. You will not be obligated or embarrassed in any way. If you decide to take treatment you will find the fee reasonable.

Guaranteed Satisfaction, or Your Money Back!
If the FREE examination shows you can be helped, you can receive your first demonstration treatment on a money back guarantee for the next 6 days. If you are accepted for treatment, you are guaranteed satisfaction on or before your fourth treatment, or your money will be refunded in full.

Spinal Defects Termed Overlooked Illness Cause

by Dr. Robert W. Pearce

Have you tried everything for your aches and pains and still found no cure? The reason you continue to suffer may be an overlooked cause of illness.

Recently, for example, German medical men reported spinal defects in 86 of 100 ulcer patients. These doctors also reported remarkable recoveries of health when the spinal defects were corrected.

Chiropractors, for many years, have been calling attention to spinal defects in persons with ulcers, heart trouble, arthritis and many other ailments.

What is the relationship

between the spine and health? All cells, organs and muscles are controlled by the nervous system. The spine protects the nerves as they flow from the brain to various parts of the body.

A spine that is out of line often pinches vital nerves as they branch out through spinal openings.

Chiropractors are specialists in correcting spinal defects and should be consulted at least once a year.

Dr. R. W. Pearce, D.C. practices the Palmer Method. His office is at 1628 Fifth Ave., San Rafael, GL 3-6201. —Adv.

Pennant Fever Grips 49er Fans After Solid Triumph

Browns Jolt Colts Out Of Lead; Giants Top East Race

By ASSOCIATED PRESS
Jimmy Brown finally exploded, jarring Baltimore's world champion Colts out of the Western Conference lead and making Cleveland a contender again in the East as the National Football League races hit the halfway mark.

The 6-2, 228-pound bulldozer mixed speed with power for five touchdowns yesterday, triggering the near record performance with the longest gain of his pro career—a 70 yard rumble with a pitchout that got Cleveland rolling on a 38-31 victory over the Colts at Baltimore.

The Browns' feared fullback fell one short of tying the NFL record, but is only the third player to score five TDs in a single game. He is the first to do it in eight years.

The BULLPEN

With JOHN J. CONNOLLY

49er Balance Most Impressive In Thorough Clobbering Of Detroit

Dead. That's what the Detroit Lions were after they were run over by the San Francisco 49ers yesterday.

That short lead sentence was good enough for James Thurber when his New York Post editor insisted on brevity. I can't think of a more descriptive or more fitting lead.

For the "resurgent" Lions were resurged right back into the basement of the National Football League's Western Conference when the 49ers steam-rolled them 33 to 7.

And 49er Coach Red Hickey convinced the last doubting Thomas among more than 59,000 blood thirsty and hoarse throated fans that here, at last, was a 49er team with drive, determination, and above all, balance.

It wasn't just the fact that the locals scored four touchdowns, a field goal and a safety to show their versatility. It was the way they did it that was so impressive.

HERE WAS a defensive unit that seemed to glory in the rock and sock of bodily contact with the enemy. Meet your adversary head on and if you can't go over, through, or around him, pick yourself up and slam into the next man who dares to raise his head. All afternoon there were more 49ers in the Detroit backfield than there were Lions.

Matt Hazeltine and Ed Henke were outstanding. Charlie Krueger and Jerry Tubbs and all the rest on that line were crashing. Only slightly less effective was the defensive umbrella of Mertens, Woodson, Baker and Dove. The short passes were working against this quartet but with a good lead they were willing to give the short ones to stop the long gainers. And stop them they did.

AND HERE was an offensive unit that knew it might batter its collective head against the tough Detroit line all afternoon without scoring. So they put everything they had into a few nearly perfect plays that sprang the ball carrier free to go all the way in an explosive burst. I say "nearly perfect" because it still required the indi-

They're Off And Running Today At Bay Meadows

SAN MATEO (AP)—A 42-day thoroughbred season opens today at Bay Meadows with a nine-race program.

There is only a \$4,000 feature today, but tomorrow's Election Day program calls for the \$10,000 Election Day Handicap, first of 10 stakes events totaling \$140,000.

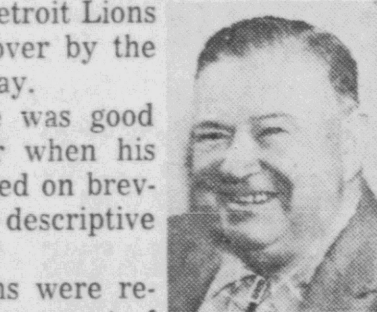

Golden Gate Fields, across San Francisco Bay at Albany, wound up its 42-day session last Saturday.

The meet showed a total handle of \$27,447,217, a daily average of \$653,505, down 6.8 per cent from the 1956 season. That was the last time Golden Gate had early fall dates.

Apprentice Gordon Lanoway was the leading rider with 53 winners. Farrell Jones topped the trainer standings with 18 winners.

BENCHWARMERS MEETING

CONNOLLY

vidual skill of a Hugh McElhenny, Joe Perry or J. D. Smith to lend the final touch to the break-away. There are few more beautiful sights on the football field than to see old King McElhenny face the last man between himself and the goal line, give him a leg to tackle, and then take the leg away.

Or to see J. D. or old Joe lower the boom on some hapless defender and bull through on sheer power for a needed yard or a needed 50 yards.

AND THERE is always the Professor, Y. A. Tittle, who is mixing his plays more and better this year than ever before. Where YAT's stubbornness used to get him in trouble he is now using the failure of one play to set up the success of the next.

Credit must also go to Coach Red Hickey and his staff. Their ability to predict the offensive and defensive moves of opponents borders on the psychic. Long gone is the stereotyped play pattern of yesteryear. In its place is imagination and the element of surprise.

THE ONLY thing that will stop this gang is a solid string of bad luck or injury. And there lies our only criticism of Hickey's tactics.

Whyohwhyohwhy does the Redhead keep the likes of Tittle, Wilson and Connor in the thick of the brawl when the game is iced away? The rust on second string quarterback John Brodie's arm is getting thicker by the week. In Sunday's game, the very capable Brodie got in for one play, with about three seconds left to play and a 26-point lead.

Could be there is some bad feeling here somewhere, and there is no place for such things on a would-be championship club. Under these circumstances an injury to Tittle could blow the duke for fair.

Four weeks away from home for our heroes, starting with the Los Angeles Rams. They will return with no worse than a tie for first place—perhaps with the Western title.

Redwood Group To See Game Movies

Moving pictures of Redwood High School's recent 7-0 football victory over Novato will be featured Wednesday night at meeting of the Redwood Benchwarmers Club, President Eugene Ostaggi announced today.

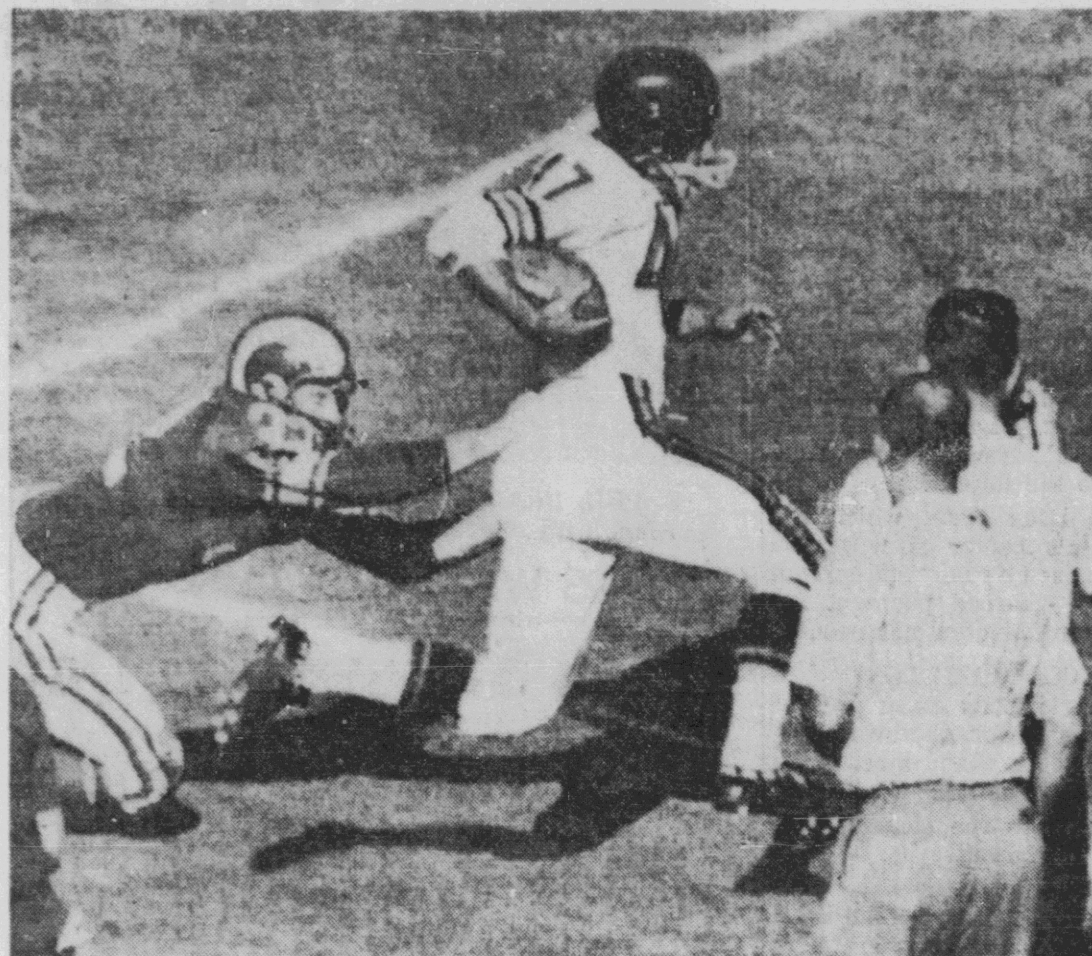

He invited all interested parents of Redwood students to the meeting which will start at 8 o'clock at the high school.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made

astounding statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name Preparation H. At your druggist. Money back guarantee. *Reg. U. S. Pat. Off.

TOUCHDOWN FOR THE BEARS— Halfback Johnny Morris of the Chicago Bears scampers across the goal line just ahead of a lunging Rams' would-be tackler—Jack Pardee—for a Chicago touchdown yesterday in

the game with the Los Angeles Rams. Morris got the ball on a pass from Zeke Bratowski and scored on the 29-yard touchdown play. The Bears won the game 26 to 21. (AP Wire-photo)

Halas Says Rams Will Be Too Much For S.F.

LOS ANGELES (AP)—Upsets are in store for the National Football League's western division, says Coach George Halas of the Chicago Bears.

"The winner is going to have a 7-5 record," was Halas' fearless prediction after his Bears knocked off the Los Angeles Rams 26-21 yesterday.

A crowd of 77,943 was on hand in Memorial Coliseum as

the Bears broke a 7-7 third quarter deadlock with the passing of Ed Brown and fullback Rick Casares' smashing ball carrying.

In the jubilant Bear dressing room after the game, Halas also predicted that Los Angeles will prove too tough for the division leading San Francisco 49ers next Sunday.

Happily sipping a soft drink, Halas said the difference between the Bears and Rams was the fired-up Chicago line.

"We were running better today because our line blocked better—that has been our weakness all along," Halas said.

The Bear running game, held in check by the Rams last month in Chicago, exploded for 143 yards, 67 by Casares.

The play that broke the deadlock in the third quarter came when Del Shofner tried to run out of punt formation on fourth down. Shofner, trapped, tried a rugby-type kick on the run. It was blocked and the Bears took over on the Rams' 19.

Six plays later, the Bears had a touchdown with Casares banging over from the one.

The Rams came back with a touchdown with Ollie Matson scoring on a 19-yard run. But the Bears went ahead to stay on a 62-yard drive engineered by Brown, who played most of touchdown from the one. Hence the second half. The touchdown came on a 30-yard Brown-to-Casares pass.

Snead, Ford Tie In Ryder Warmup

PALM DESERT, Calif. (AP)—Sam Snead and Doug Ford finished in a four-under par tie and dominated a field of American and British players in the \$7,500 Eldorado Country Club Pro-Member Golf Tournament.

The tournament was a prelude to the 13th biennial Ryder Cup matches between Great Britain and the United States next Friday and Saturday.

Snead, captain of the U.S. team, shot his second straight 69 yesterday while teammate Ford came in with a 67, the best score of the day.

JOHN HENRY MISSES PLANE; COACH MIFFED

DETROIT (AP)—Detroit Lion fullback John Henry Johnson missed the plane back to Detroit from San Francisco, after the Lions lost to the 49ers, 33-7 yesterday.

The Detroit Times said today that Coach George Wilson held the plane half an hour for Johnson and, when the big fullback failed to show, Wilson began storming and hinted that Johnson would be fired.

There were unconfirmed reports San Francisco police had given Johnson a summons on a back alimony complaint. His divorced wife and five children live here.

33-7 Rout Of Lions Puts S.F. On Top In NFL Race

By JACK HANLEY
I-J Sports Correspondent

Red Hickey tersely summed up the 49ers' 33-7 rout of the Detroit Lions with this comment today:

"We came up with the big catch, the big run and the big block at the right moment."

Hickey said he would make no predictions concerning next Sunday's 49er game with the Rams in the Los Angeles Coliseum, "because we are doing all right without predictions."

The coach, who correctly predicted a 49er win over the Rams in their first NFL meeting this season, went this far: "I don't think that so-called Coliseum jinx will have any bearing on the game. A little hard blocking and tackling takes care of many little things such as any jinx."

The 49ers played like champions in soundly whipping the Lions yesterday in Kezar Stadium. Their four touchdowns were flawlessly executed. So were their other tallies—a safety and a field goal.

Now in undisputed ownership of the NFL's Western Division top spot with a 5-1 record, the 49ers heard their aggressive coach tell sports writers:

"There's no reason why we should not say on top. It's strictly up to the boys themselves now. It's a great feeling to have a team with the kind of spirit this one has. There's nothing they can't do if they maintain the desire, blocking and tackling they showed against the Lions."

In taking over first place from the Baltimore Colts who were corralled by the Cleveland Browns, the 49ers fashioned the kind of victory that sent the capacity crowd of 59,064 away talking about a possible pro title.

HAZELTINE HONORED
The 49er defensive team, especially Matt Hazeltine who was awarded the game ball, played magnificently. Ed Henke, Charlie Krueger, Leo Nommellini—all of the 49 defensive men—turned in their finest game of the season. It even was better than their blanking earlier in the season of the Rams.

The Lions also would have been blanked except for intercepted pass, deep in 49er territory toward the close of the first quarter after the 49ers had posted a quick 14-0 lead.

Joe Schmidt, the Lion middle

49ER PICTURES
Pictures of yesterday's 49er-Detroit game can be found on page 13.

linebacker, picked off a pass by Y. A. Tittle on the 18-yard line. Bob St. Clair brought him down from behind on the one yard line. A moment later fullback Ken Webb took it over and Jerry Perry converted for the last point Detroit was to put on the scoreboard.

QUARTERBACKS RUSHED
There were three other Lion interceptions of Tittle passes, but the 49er defense put such a terrific rush on Earl Morrall and Tobin Rote that Detroit didn't threaten another score except on one occasion.

That was when Rote came in as the Lion quarterback in the second quarter and he passed to Dave Middleton for 20, sent Nick Pietrosante on an end sweep for 37, and hit Jim Gibbons with a pass on the 49er five-yard line. It was the only sustained drive the Lions put together in the game.

But Gibbons was tackled so hard by Dave Baker that he fumbled—and Jerry Bertens recovered on the 49er 10-yard line.

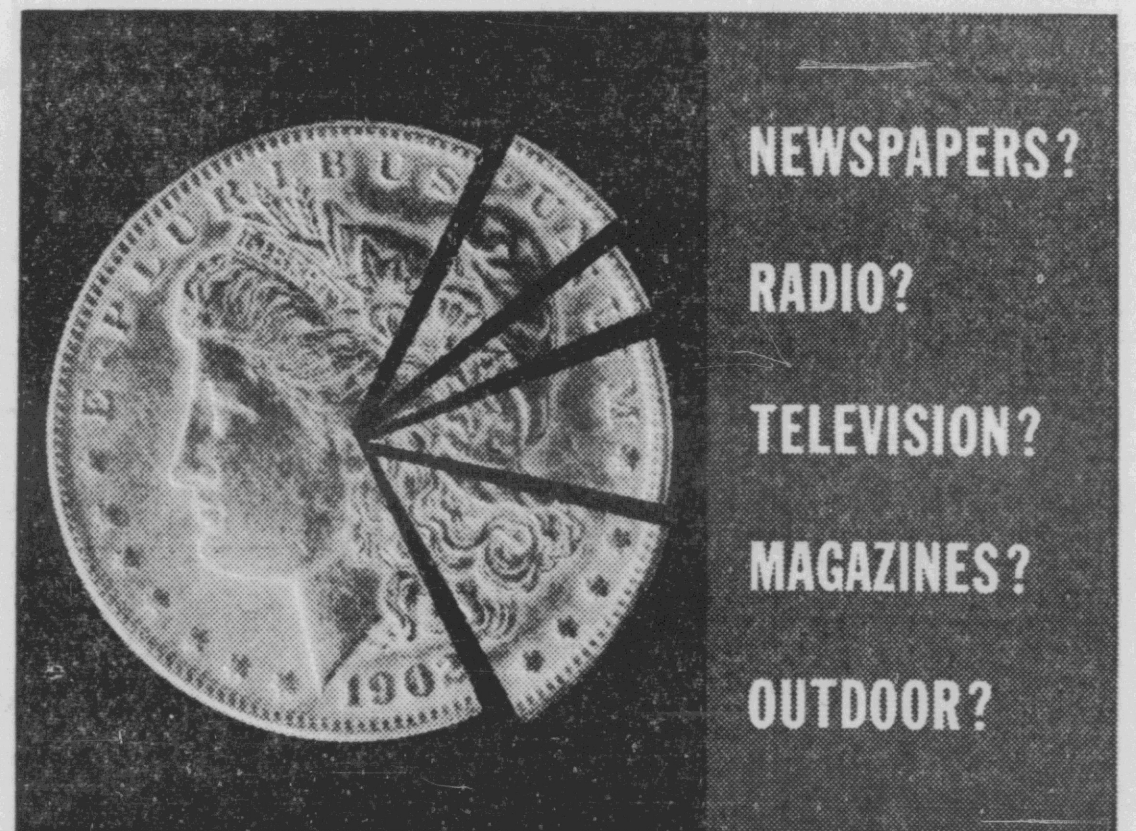

The game opened with Abe Woodson returning the Detroit kickoff through a 49er wedge from one yard behind the goal line to the 32. If John Gordy had not got one hand on Woodson, just enough to trip him, Woodson would have gone 101 yards for a kickoff TD.

SMITH ZIPS
However, the fans were only momentarily deprived of a long scoring run thrill. On the second scrimmage play J. D. Smith went through the quick hole Bob St. Clair and Ted Connolly opened for him—73 yards and the first TD of the game.

Billy Wilson, who later in the game suffered a shoulder

Title Fever In S.F. As 49ers Win Again

Continued from page 10
bruise that will not keep him out of next Sunday's game, gave J. D. a nice assist with a midfield block and Smith used a change of pace to get by Terry Barr in the Detroit 20. Tommy Davis then added the first of four PAT's he kicked in addition to his 17-yard field goal in the third period. Davis' punting also was up to his top caliber during this game, 60 and 50 yarders high enough to give him teammates plenty of time to nail Lion receivers almost in their tracks.

Jerry Tubbs, knifing through the Lion line, forced Morrall to fumble a few minutes after the first 49er TD and he recovered the ball on the Detroit 33.

Title passed to Wilson for 19 and Smith jammed to the 10. Title then passed to Hugh McElhenny, back in the offensive lineup with a completely mended left hand, for TD No. 2. McElhenny took the scoring pass in front of Barr who displayed his disgust by ripping a handful of grass from the Kezar turf.

FEARSOME BLOCKING
TD No. 3 came on a screen pass, the way a screen pass is supposed to work. Title flipped the ball to McElhenny and behind a three-man screen that first cut down Jim Martin, McElhenny raced 62 yards for the score.

The blocking for McElhenny was fearsome. Lions were bowled over by McElhenny's teammates. Joe Perry and John

Lake Merced Opens New Facilities

By ALFRED SATTON
Lake Merced Sailing Club played hosts Saturday to the small boat yachting fraternity with a full program of racing as the feature in the dedication of San Francisco's new recreational facility at Lake Merced. Fortunately the howling northern winds that had prevailed for the preceding two days weakened drastically and the large fleet of little windjammers was able to negotiate the lake's waters without mishap, and afforded the large throng of spectators a colorful spectacle.

Now that this junior organization has ample facilities for launching and berthing for the visiting firemen, its regattas will become major factors in the racing programs of the future.

The results. Snipe Class, Vandal, Don Trask; Zeph Class, Bree-Z-Baby, Larry Wright; Blue Jay Class, Slo Lee, Dr. F. Greenspan; Coast 13 Class, Blue-J, Rudy Hornung; Melody Class, Quartet, Bill Wahlander; El Toro Class, Ruby, Leonard Ruby.

Thomas bounced a couple of Lions, including Schmidt, several yards.

The first half ended 21-7 but the tempo of the second half left no doubt about a 49er victory. Krueger rolled Rote into the Lion end zone for a safety after the kickoff.

Eddie Dove took the Lion punt after the safety on his own 14 and raced to midfield. R. C. Owens caught a 30-yard pass from Tittle—a catch that put the 49ers in position for Davis' field goal, but not as spectacular a catch as he later made in the game, a diving catch of a 12-yarder that brought him tremendous cheers.

Perry's 40-yard run to the Detroit five early in the fourth quarter set up the final touchdown which Smith scored from two yards out.

VITAL STATISTICS
The Lions have not received such a pasting all season. It was difficult to believe the statistics which showed they were held to a total of 183 yards, 84 rushing and 99 passing.

But the final total of 183 yards doesn't give the true picture. Of that 183, most of it was logged in the first half—124, 51 passing and 73 on the ground.

In other words, the Lions were held to eleven yards rushing and 48 passing in the second half.

Hazeltine, having spilled Rote for losses several times, deserved the game ball but he would be the first to admit that there weren't many of his defensive teammates far behind him for the honor.

The balanced attack of the 49ers was clearly evident in the statistics—196 on the ground, 198 in the air for a total of 394.

PISTOL THIEF DUE TO GET SAD SURPRISE

If the thief who made off with two revolvers and cartridges from San Rafael High School last week plans to do any shooting, he's in for a sad surprise.

The revolvers are the race starter type, and their cartridges are blank. The Marin County sheriff's office reported the revolvers and cartridges were taken from a desk drawer in the school gymnasium office.

Light Problem

TUCSON, Ariz. (AP)—Melva E. Cline, 30, looked to the left as she approached a railroad crossing and saw a light far down the tracks.

She thought she had sufficient time to cross and drove on. She was struck by a train coming from her right.

Mrs. Cline, who suffered minor injuries, later learned the light on the left was a warehouse floodlight.

Ahnert Cops Marin Golf Championship

Long ball-hitting Fred Ahnert, heavy construction equipment salesman from San Rafael, Saturday pounded out a 7 and 6 triumph over fellow townsman Rudy Samson in the scheduled 36-hole finals of the Marin Golf Club's championship.

Hitting the ball a ton, sometimes as far as 300 yards with a good roll, Ahnert outdrove Samson on every hole. For the 30 holes, the new champ was only three strokes over par.

Samson was the tourney medalist with a qualifying score of 73 before the match play series began.

WHITE WINS

Hal White became the champion of the First Flight as he downed Odie Oliphant, 2 and 1 while John Morrison copped the Second Flight by edging Pete Ribar on the 19th hole.

Dr. Richard Albert downed Bill McCall, 1 up in the Third Flight, Jim O'Donnell edged Don May, 2 and 1 in the Fourth Flight and Elmer Murray won the Fifth Flight by the same margin.

The tournament proved one of the most successful of the new club's schedule with 98 entries.

Fairfax 'Cyclist' 6th At Vacaville

A Fairfax motorcycle racer, Bill Boyd, finished sixth yesterday in the 42-mile American Motorcycle Assn. championship race at Vacaville.

The main event, in which 26 started, was won by Ron Emmick of Menlo Park who edged veteran Joe Leonard for top honors.

Behind Emmick and Leonard in the main event, in order, were Al Gunter of Los Angeles, Don Whemar of Burbank, Russ Boardman of Vallejo and Boyd.

Tam High District Trustees To Meet

Reports on formation of a citizens' committee for the January bond election, a traffic problem at Tamalpais High School and widespread favorable reactions to "College Night" will be heard at a meeting of the Tamalpais Union High School board of trustees tonight.

The meeting at the district office at Redwood High School in Larkspur, will also include routine business on the rehabilitation project at Tamalpais high, the agreement with Corte Madera on Lucky drive and discussion of sewer problem at Redwood high.

FILMS SHOW MCKEEVER GUILTY

Cal Star 'Deliberately Fouled'

BERKELEY (AP) — California Coach Pete Elliott asserted last night that Southern California's Mike McKeever "deliberately" injured Bear halfback Steve Bates.

Bates left Saturday's game here in the second quarter with a broken nose and jaw, and the loss of several teeth.

Elliott, after looking at movies, said McKeever piled onto Bates while the Bear player lay on his back outside the boundary lines. He said McKeever struck with his elbow.

"It was one of the most flagrant violations I have seen in

football," Elliott told newsmen. The Cal coach had been non-committal after the game, saying he wanted to look at the movies.

"There's no place for this type of thing in football," Elliott said after viewing the film. "The only reason I'm saying anything at all is that this type of play has to stop."

McKeever, a guard, was ejected later in the game for piling into Bear quarterback Pete Olson after the whistle blew on a play. Olson later received stitches in the mouth for the injury.

McKeever, a junior, was boot-ed out of the Stanford game in Los Angeles the previous week following repeated warnings from officials.

His twin brother, Marlin, is also a Trojan lineman, playing at end.

Clark Kerr, California president, said the play in which Bates was hurt "looked bad" to him but added that neither he nor Glenn Seaborg planned a formal letter of protest to USC. Seaborg is chancellor of the Berkeley campus while Kerr is president of all the university's branches.

"In the interests of continuing our friendly relations with USC, we propose to leave the matter entirely up to that school," Kerr said. "We are confident that President Norman Topping and Vice President Francis Tappan will take whatever action the situation may warrant."

Tom Hamilton, executive director of the Athletic Assn. of Western Universities to which both schools belong, declined comment pending a full report on the incident.

Bates will be out for the rest of the season and doctors at

California's Cowell Memorial Hospital said he would be hospitalized for two weeks. Corrective surgery won't be made until the swelling is reduced.

Officials refused to permit newsmen to interview or photograph Bates.

The only visitors permitted were Bates' wife, Nina, and his mother, Mrs. Lawrence Bates of Orland.

Bates' mother said, "I just wish the boy who did this were forced to see Steve's face. Then, maybe he wouldn't be so proud of himself."

Novato Grinds Out Win Over Pirates

Novato Hornets overcame a fine Drake aerial attack with a lethal ground game to out-gun the Pirates, 34-19, in a wild Marin County Athletic League football game at Kentfield Saturday.

Novato unveiled a new hard-running fullback, Bill Henderson, to replace the injured Joe McNern. Henderson, who was shifted from end by Coach Marlin Olsen, led the ground gaining for the afternoon with 119 yards in 19 tries. Although he didn't score any touchdowns, Henderson time and again ripped through wide holes in the Pirate front wall for good yardage, including one run for 25 yards and two other for 15.

The Hornets opened the scoring late in the first quarter, after Bob Senecal recovered a Drake fumble on Novato's 45-yard line. They struck paydirt after seven plays, the big ones being a 17-yard pass play from quarterback Jud Bird to Ron Manzoni, and Henderson's 25-yard gallop to the 2. Dennis McCormick took it from there, and Henderson's conversion run around left end made it 7-0.

DRAKE RETALIATES

Showing surprising offensive strength, Drake came right back with a TD drive of its own. Starting on their 42, after a 17-yard kickoff return by Tom Sannar, the Pirates clicked in 15 plays. The passing combination of quarterback Sam Johnson and end Bill Collins accounted for 25 of the 58 yards with three completions, the last going for three yards and the touchdown. Senecal blocked Dave Christian's drop-kick attempt for the extra point, and Novato still led, 7-6, early in the second period.

The Hornets continued the offensive show by taking the next kickoff and covering 60 yards in 12 plays to score. The TD came on a 20-yard pass from Bird to Manzoni, when the latter was left all alone in the end zone as the Pirate secondary rushed up to get Bird, who was running for his life from pursuing Drake linemen. John Picchi crashed over the goal line for the Hornet's 14th point, and the first half scoring was over.

BIRD FLIES

Novato picked up at the outset of the second half where it left off in the first. Sparked by Bird's 46-yard return of the Drake kickoff, the winners moved 37 yards in four attempts. Picchi's 21-yard ramble was the big play, and McCormick scored his second short touchdown from the one. Henderson ran the end again for the extra point.

The Pirates stopped a Novato drive and took over on their own 25. In six plays they scored their second TD on a 31-yard pass from Sam Johnson to Tom Sannar. Sam passed for the conversion to Christian.

Novato's grind-it-out rushing attack broke the game open then, however, as Henderson and Picchi sloshed through big holes for long yardage that led to the two game-clinching touchdowns in the fourth quarter. Bird bootlegged around right end 12 yards for the first, and Picchi dashed 23

for the last. John added the conversion after Bird's TD.

51-YARD TD

The Pirates scored the last touchdown of the day with 20 seconds left in the game. Dave LeBeck lofted a 30-yard pass to Warren Miller who got it on the Hornet 21 and sped into the end zone for a 51-yard TD play.

Drake played its best game of the year, with Johnson's passing to Bill Collins, and the strong running of little Frank Divita and Sannar standing out. Good work was done in the line by John Muford and Doug Bock, especially.

Novato's Hans Lindholm, a solid all-league candidate, and Senecal deserve plaudits for their efforts in springing the speedy Hornet backs, Picchi and Henderson loose for sizeable yardage many times. Others showing up well in the Novato line were Mike Cherry and Chet McDermott.

Injun Machine Hot, Shoots At Bruins Next

STANFORD (AP) — Stanford, if it maintains momentum generated against San Jose State, could make Saturday afternoon most unpleasant for UCLA.

The Indians smothered their neighborhood rivals 54-38 last Saturday, scoring seven touchdowns, a field goal and nine conversion points. San Jose plays host Saturday night to Wyoming, Skyline Conference leader.

Quarterback Dick Norman, improved his lead in national passing, connected on 12 of 21 for 260 yards and two Stanford touchdowns.

The romp gave Stanford a 2-5 mark against UCLA's 1-3-1. The Bruins lost to Washington 23-7 Saturday.

Stanford Coach Jack Curtice, glancing at the game statistics, commented: "If UCLA doesn't come up here with a wide open offense, they'll sure be foolish."

SPARTANS CLICK

Three Spartan passers, Emmett Lee, Ray Podesto and Oneal Cuttery, completed 21 of 30 tosses for 255 yards. Lee hit 17 of 24 for 175 yards and one touchdown.

Indian workhorses were full-backs Skip Face and Archie Schmitt, who scored 15 points each and averaged 7.83 and 7 yards a carry. Face kicked a 30-yard field goal.

"They're a great offensive club," said Spartan Coach Bob Titchenall. "We tried to stop 'em passing, and they ran on us. We tried to stop 'em running, and they'd pass."

"Make no mistakes, Stanford is tough to contain." The point total was the most ever scored in Stanford Stadium, eclipsing 82-0 victories over Mare Island in 1923 and UCLA in 1925.

COAST ROUNDUP

USC Nears First Big Five Pennant

By ASSOCIATED PRESS

Southern Cal looks like the first champion of the Big Five Conference and Washington like the next West Coast representative to the Rose Bowl.

Something could happen to change each eventuality, but nobody right now seems to know what it might be.

The USC Trojans remained in the thinning ranks of the undefeated and untied with a 14-8 victory over the stubborn but unrewarded California Bears Saturday while Washington shelved UCLA 23-7.

USC INELIGIBLE

Although USC holds a victory over Washington, the only setback of the year for the Huskies, the Trojans are ineligible for the bowl because of NCAA penalties against over-eager recruiting.

Washington has triumphed over both Oregon and UCLA, their foremost antagonists for the bowl bid.

Southern Cal now has beaten three of its four Big Five foes, with only UCLA left on the conference docket. The Trojans this week host West Virginia, in a non-conference game at Los Angeles.

In other West Coast games, California plays Oregon at Portland, UCLA invades Stanford, Oregon State plays at

Washington, Idaho at Utah, Fresno State at College of the Pacific, and Wyoming at San Jose State.

USC Coach Don Clark wasn't happy with his victory. He declared, "this team hasn't improved a nickel's worth in three weeks." The Trojans had come from behind each time to beat Washington, Stanford and California, three of their four Big Five foes.

California Coach Pete Elliott, naturally unhappy at losing, did seem pleased with an improving defense, saying, "This was far and away our best defensive effort."

The Bears threw back four straight plunges after USC made a first down at the Cal 1.

A 65-yard screen pass in the first quarter from quarterback Willie Wood to fullback Jim Conroy gave the Trojans six points and Wood dashed nine to cap a 52-yard march for the winning tally.

Cal's co-captain and guard, Pete Domoto, grabbed a fumble in the air at the Trojan 35 and carried to the 7 to set up the Bear touchdown. Jerry Scattani scored on a 1-yard smash and Bill Patton kicked the conversion that put the score 7-6 at the end of the third quarter.

HALL BECOMES CAT KINGDOM—Cage after cage of cats filled the Corte Madera Recreation Center Saturday and yesterday during the eighth

More Than 2,000 Visit 2-Day Marin Cat Show

More than 2,000 persons got an eyeful of plain and fancy cats and kittens yesterday and Saturday during the eighth annual show of the Marin County Cat Fanciers at the Corte Madera Recreation Center.

The gate was one of the biggest ever recorded at a Marin cat show, the sponsoring group reported. Proceeds go to the Marin County Humane Society.

More than 220 cats were on display and in competition, ranging from household pets of unknown ancestry to the purest-breed bluebloods of the feline world. Also attracting attention were two Rex cats, a relatively new breed, and a baby ocelot.

Judges were Mrs. Michael O'Brien of Honolulu in the all-breed portion of the show, and Mrs. Walker K. Johnston of San Diego for the longhair and shorthair specialties. Judging was under rules of the American Cat Fanciers' Assn.

More than 60 exhibitors and show officials attended a dinner Saturday night at Sabella's. Success of the show was marred by the loss of 21 exhibition cages, apparently stolen from the rear of the recreation center where they were stored outside Friday night. The loss was reported to Corte Madera police.

Major winners were as follows, listed by name and breed or type of cat, owner's name and residence (winners of the same award in the opposite sex are given in parenthesis):

ALL-BREED
Best in show—Fan T Cee Kaber Kenny, blue point Siamese, Mr. and Mrs. Fred Galvin, Anaheim; (Silver Mesa Miss Pixieanne, shaded silver longhair, Mrs. Harold Webb, Burbank).
Second best in show—Las Lomas Man About Town, shaded silver longhair, Doris Weston, Pleasant Hill; (Wimauma Starmist of Zoda, blue longhair, Zoe R. McEachern, Oakland).
Best grand champion—Grand Fan T Cee's Blue Fancy, blue point Siamese, Mr. and Mrs. Galvin.
Best champion—Fan T Cee Kaber Kenny; (Silver Mesa Miss Pixieanne).
Best open—Las Lomas Man About Town, (HRH Marin Reine D'or of Cerel, Burmese, Mr. and Mrs. Frank Bucquoy, Concord).
Best novice—Hi Tais Snowfire of Fan T Cee, lilac point Siamese, Mr. and Mrs. Galvin; (Wimauma Starmist of Zoda).
Best longhair—Silver Mesa Miss

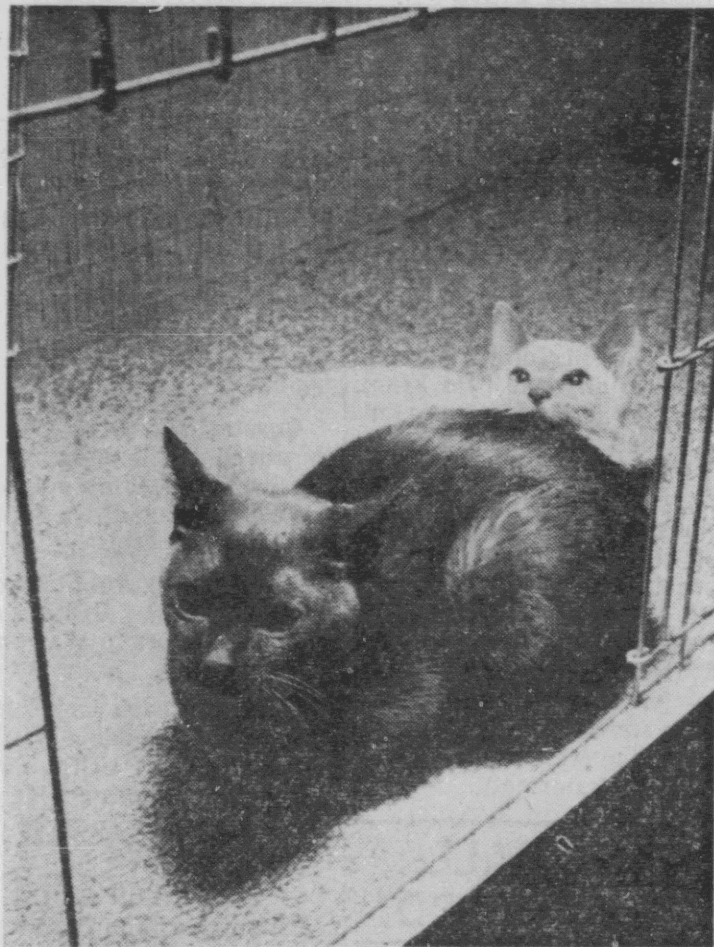

Pixieanne; (Elco's Tiny Tim of Angelita, peke-face red tabby, Mrs. Pauline Frankfield, Los Angeles).
Best shorthair—Fan T Cee Tabb Kenny; (HRH Marin Reine D'or of Cerel).
Best premier—Azure's Ahrihan, longhair brown tabby, Dorothea Woods, Burbank; (Tulla, blue domestic shorthair, Evelyn Kionig, Kentfield).
Best household pet—Miss Purr, Jeanne Field, San Anselmo; (Vitsvart, Elodie Macondray, San Anselmo).
Best longhair kitten—Fair Oaks Tina, shaded silver, Mr. and Mrs. Paul Raine, Whittier; (Elegante Sunday Trouble, shaded silver, Jackie Simkins, Novato).
Best shorthair kitten—Tzaana Rangoon, Burmese, Mr. and Mrs. Richard Rowe, Atherton; (Fan T Cee's Lisa of Hayward, blue point Siamese, Isabel Meader, Castro Valley).
Best kitten—Tzaana Rangoon (Fair Oaks Tina).

LONGHAIR SPECIALTY
Best in show—Las Lomas Man About Town; (Silver Mesa Miss Pixieanne).
Second best in show—Silver Mesa Miss Pixieanne; (Walnut Hill Peek A Boo, shaded silver, Doris Weston and JoAnn Campbell, Pleasant Hill).
Best champion—Ch. Silver Mesa Miss Pixieanne; (Elco's Tiny Tim of Angelita).
Best open—Las Loma Man About Town; (Silver Mesa Sonseahray, chinchilla, Mrs. Harold Webb, Burbank).

Best novice—Wimauma Starmist of Zoda; (Spring Mountain Pluto, black, Winifred Miles, Santa Rosa).
Best solid color—Lynwood Melody of Chateau Chat, blue, Mr. and Mrs. C. H. Fladger, San Mateo; (Spring Mountain Pluto).
Best tabby and tortoiseshell—Burque Lee's Lori, Phyllis Whitney, San Geronimo; (Elco's Tiny Tim of Angelita).
Best premier—Azure's Ahrihan.
Best kitten—Fair Oaks Tina; (Angelita's Timmy Too, peke-face red tabby, Mrs. Frankfield).
Best household pet—Miss Purr.

SHORTHAIK SPECIALTY
Best in show—Bograe's Seb of Cher Lan, Abyssinian, Mr. and Mrs. William Quiner, Hayward; (Tulla).
Second best in show—Fan T Cee Kaber Kenny; (Fan C Tee's Enchantress, seal point Siamese, Mr. and Mrs. Galvin).
Best grand champion—Fan T Cee's Blue Fancy, Mr. and Mrs. Galvin.
Best champion—Bograe's Seb of Cher Lan; (Fan T Cee's Enchantress).
Best open—Krebs' Intrepid Fox, blue point Siamese, Mr. and Mrs. C. H. Krebs, Canoga Park; (Krebs' Flambeau, blue point Siamese, Mr. and Mrs. Krebs).
Best novice—Lamar's Tiango, seal point Siamese, Cmdr. and Mrs. Charles L. Jones, San Francisco; (Finlo's Pyee, black Manx, Mrs. Henry Varga, San Rafael).
Best domestic—Barefoot Contessa, brown tabby, Mrs. Ralph McDonald, Novato; (Kendall, red tabby, Mr. and Mrs. R. D. Layman, Corte Madera).
Best foreign shorthair—Bograe's

annual Marin County Cat Fanciers' show. This overall view was taken during a lull in judging. (Independent-Journal photo)

COZY KITTENS—Cuddled down comfortably in their cage at the Marin County Cat Fanciers' show are these two kittens, Mizpah's Claudia, a Burmese (foreground) and Almar's Li'l Will, a blue point Siamese. They are owned by Mrs. Eileen Anderson of Novato. (Independent-Journal photo)

45,000 ACRES BURNED

Three, Major Fires Still Blazing In North State

By U.P. INTERNATIONAL
Nearly 3,000 firemen fought today to control three major forest fires—the last of a series of blazes that destroyed an estimated 45,000 acres of valuable timber and watershed in Northern California during the weekend.

The three uncontrolled blazes have destroyed nearly 40,000 acres, or 400 million board

feet of timber—enough to build 25,000 standard homes.
Two other fires were controlled yesterday, but not until they had consumed another 4000 acres.
Don Porter, information officer for the U.S. Forest Service at Sonoma, said the high winds that whipped the flames during the weekend were expected to decrease.
The largest of the fires still burning was a 14,000-acre blaze near the community of Camptonville. It already has destroyed a Forest Service lookout station and several cabins near the community of Pike.
A 10,000-acre blaze at Jaybird and a 15,000-acre fire at Icehouse—both in the Placer-ville area—also were out of control.
One of the fires controlled yesterday was a 2,500-acre blaze that blocked Highway 40 and drove a thousand persons from their homes in the area of Auburn.
State foresters said about 20 buildings—including a half dozen homes—were destroyed before the fire was contained.
Also controlled was the smaller Bear River blaze along State Highway 88 in Amador County.

Seb of Cher Lan (Tulla).
Best Siamese—Fan T Cee Kaber Kenny (Fan T Cee's Enchantress).
Best Burmese—HRH Marin Java of Tzaana, Dr. and Mrs. D. B. Jaros, Greenbrae.
Best Abyssinian—Bograe's Seb of Cher Lan; (Bograe's Abessa of Delta, Mr. and Mrs. W. W. Forest, San Francisco).
Best Manx—Finlo's Pyee; (Ocean View Buzzaboy, Dick Jenks, Lafayette).
Best Russian blue—Lamar Nicola of HRH Marin, Charlotte Smiley, San Rafael.
Best kitten—Fan T Cee's Lisa of Hayward; (Mizpah's Etienne, Burmese, Mrs. Vivian Chartier, Reno).

Ross Valley Demos Meet Tomorrow

Dr. Richard Weinerman, consultant on radiation and air pollution to the California Democratic Council, will speak before a group of Ross Valley Democrats on "Public Health in a Nuclear Age, a Political and Social Responsibility" tomorrow night in the home of Mr. and Mrs. Bennet Skewes-Cox of Ross.

The Ross Valley meeting under sponsorship of the Marin Democratic Assembly is one of a number of meetings throughout the county in preparation for a forthcoming state issues conference to be held by the California Democratic Council.

The barometer, which judges changes of weather, was invented by Italian scientist Torricelli in 1643.

Corte Madera Waits Report On Dry Trash

A long-awaited legal opinion concerning dry trash collection is expected to be given the Corte Madera Town Council tonight by Town Atty. John B. Ehlen.

The opinion will be on the question of whether Mill Valley Garbage Co. has the exclusive right to collect such trash in the town.

PETALUMA FIRM

The firm, franchised garbage collector for the town, objects to the hauling of cartons and paper from several Corte Madera Shopping Center stores by Mel and Ray's Janitorial Service of Petaluma.

Town Manager Arthur H. Brandow will ask the council to rescind an order requiring town department heads to attend the first regular council meeting of the month.

Frank Reis, town public works superintendent, attended the first meeting in October, criticized the council for its handling of a weed problem in one of Madera Gardens lagoons and was, in turn, verbally spanked for speaking his mind.

ILLEGAL SIGNS

James Stockman, proprietor of the Edgewater Inn, and the two illegal advertising directional signs he has been told to remove will be the subject of a second report by Ehlen. The town attorney recently was instructed to start legal proceedings for removal of the signs.

Brandow will report on bids received for extension of a drainage culvert at Paradise drive and San Clemente Creek, with the council expected to award a contract.

Plans prepared by J. Warren Nute, San Rafael engineer, for extension of Tamal Vista boulevard northward through the Charles Paganini property near Highway 101 will be presented for council approval.

The meeting will start at 7:30 o'clock in Corte Madera Town Hall.

Sheatfish are the largest fresh water fish in the rivers of Europe. It is practically the same as catfish caught in American streams.

TRY TO SPIRIT SPIRITS INTO JAIL FOILED

A half-filled pint of bourbon was almost sneaked into the county jail Saturday night by a work furlough prisoner returning from his job, the sheriff's office reported.

Jailers said they discovered the bottle concealed in the underwear of Laurel Allen Forwood, 23, of 26 Spring Grove avenue, San Rafael. The hooch was confiscated and a report of the incident was given the district attorney's office and the probation department.

Forwood is serving a work furlough sentence for violation of probation on a bad check charge.

Richardson Bay Area Closed—It's For Birds

Some 585 acres of submerged land around the center of Richardson Bay—the wildlife sanctuary area—will be closed to public use beginning tomorrow because waterfowl have become seasonally plentiful, John H. Baker, president of the National Audubon Society, announced today.

Closing of the area is done in conformance with the terms of leases of the submerged lands to the society, for wildlife purposes, by Marin County and the City of Belvedere.

Baker said the area would be opened to public use again when waterfowl cease to be seasonally plentiful in the sanctuary in the spring.

Audubon Warden John C. Larson will patrol the sanctuary and, within the limits of available time, conduct an educational program for groups by appointment. Appointments may be made by telephoning DUnlap 8-9843.

Army Assignment

Army Recruit Ronald R. Reagan, 18, son of Mr. and Mrs. Arvil R. Reagan, 207 Knight drive, San Rafael, has been assigned to the 67th Artillery in Hayward, following completion of basic training at Ft. Ord.

Marinwood Play Area Due Another Hearing

With a background of deadlock in the Marin County Planning Commission, the long-argued question of an 18-acre recreational area in Marinwood will be up for public hearing at 2 p.m. tomorrow before the Marin County Board of Supervisors.

Nobody now remembers just how many times this issue has been bounced back and forth between planners and supervisors but the former on Oct. 5 decided to report themselves finally and irrevocably committed to "agreement to disagree."

Three of the planning commission favor one scheme and three favor the other and it seems that never shall the two trios meet mentally on this problem.

Julius Selinger, attorney representing Hoyt Enterprises which is developing Marinwood, is expected to report on his lengthy efforts to get together with the Marinwood Assn. for amicable solution.

Wendell Freeman, president of the association, has turned up for most of the past hearings to object to Selinger's requests for further delays and to put forward the association's wishes, which of late have indicated abandonment of the original desire for ball fields in favor of using for recreation the remainder of an area previously shown as a commercial or a church site.

Also scheduled for public hearings at the same hour are the rezoning of Northridge Unit No. 3 and zoning of Gallinas Village 8A.

Under the heading of "continued matters" the supervisors are listed to take up questions of Richardson Bay and the Novato airport.

Their expected action on the former was foreshadowed Wednesday when at a special meeting the supervisors voted 4-1, William D. Fusselman dissenting, for action tomorrow on two emergency ordinances.

One will bring a halt to filling operations, requiring that further fill may be conducted only after approval of plans by county engineering experts and the supervisors to make sure that there is no adverse effect on drainage. The other provides interim zoning of an area eventually to be covered by a Richardson Bay master plan.

Some action toward acquisition of the Novato airport may be taken if necessary information has been obtained and if a satisfactory financial deal has been worked out since the supervisors' last meeting.

Among several items to be presented by the county administrator will be a letter "recommending an ordinance absolving department heads where inventory items disappear."

There will also be a recommendation for the administrator and the county fire chief, jointly giving their ideas as to what can be done about enforcement of a regulation of the Bay Area Air Pollution Control District. This body recently wrote to the supervisors asking what help they could give.

Information is to be given by the administrator about a new proposed Marin County Disaster Plan.

North State Group Of Appraisers To Meet In Marin

Appraisers from Northern California will gather at the San Rafael Elks Club Wednesday night to hear a discussion of severance damages in condemnation suits.

Edward P. Morphy, chairman for the dinner meeting, announced a social hour will begin at 6 o'clock and dinner at 7:30. Marin plays host to the Golden Gate Chapter of the Society of Residential Appraisers, which covers most of Northern California excluding Oakland.

Speaker will be Richard A. Clarke, San Rafael attorney, who is with the legal department of Pacific Gas and Electric Co. in San Francisco. His topic will be "Approaches to Severance Damage."

Guests will include Assessor Bert W. Broemmel and some of his staff members, local attorneys, and possibly judges of Marin Superior Court, Morphy announced.

McPhail's

SUDDEN SUCCESS—Miss Purr, household pet owned by Mrs. Jeanne Field of San Anselmo, was a Cinderella cat at the Marin County Cat Fanciers' weekend show. It was her first show (the first for Mrs. Field, too)

and she judged best household pet in both all-breed and longhair specialty portions of the competition. Holding the success girl here is Mrs. Evelyn Kionig of Kentfield. (Independent-Journal photo)

REDWOOD REMAINS UNDEFEATED

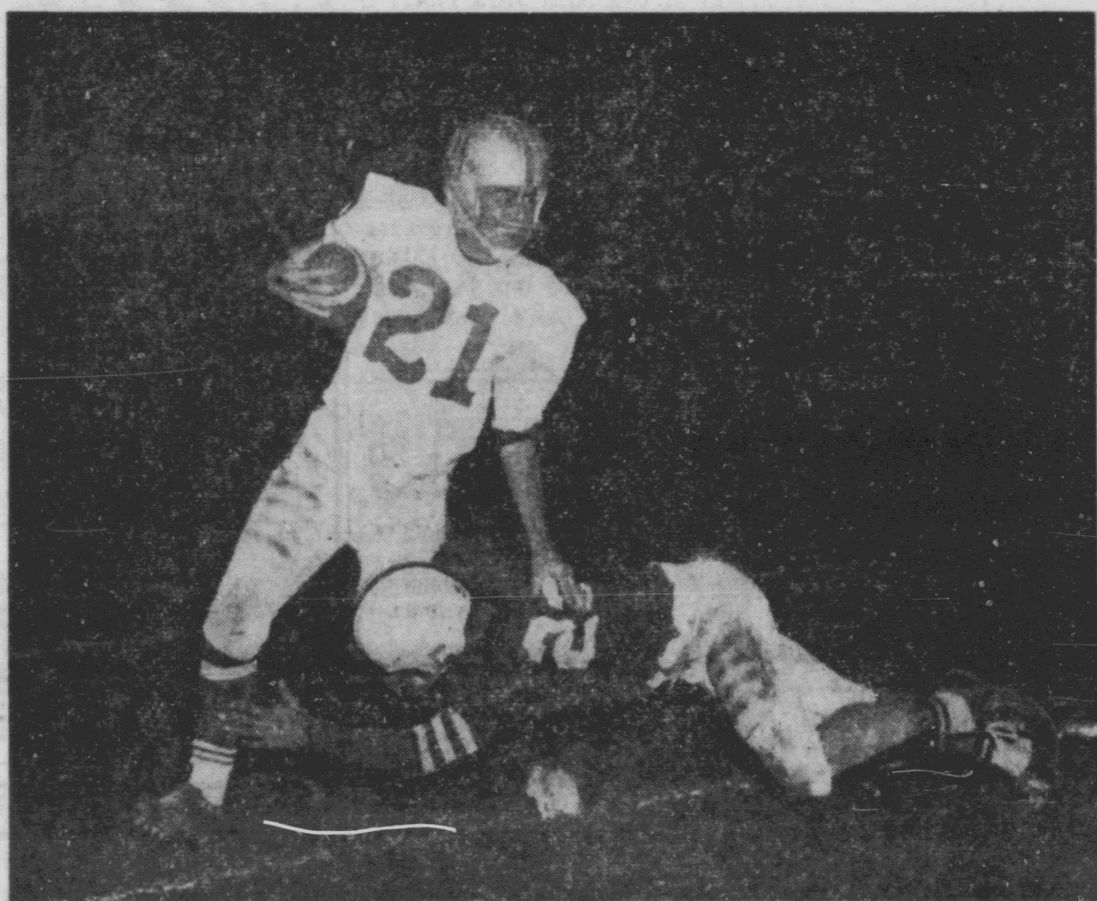

Redwood High Schools undefeated Giants scored their sixth victory of the season Friday night by edging San Rafael, 6-0, on this second quarter touch-down plunge by quarterback Bob Ostaggi (13). Other

Redwood players are Eric Lindner (50) and Curt Embry (21) while the identifiable Bulldogs are Randy Petrini (38) and Billy Knopf (12). (Jim Kean photos)

DOG MEETS DOG — A couple of mascots met each other on the sidelines of the high school contest at San Rafael—Bulldog mascot Lorn Dreitzler (left)

and Sukey Pooh, a pet Dachshund who pulled around a little "Beat Redwood" cart for San Rafael's rooters. Enjoying this scene is Carol Bates.

A GIANT STOPPED—Redwood half-back Curt Embry is hit low by San Rafael halfback Gary Ledson following a short gain in the third quarter. Embry, one of the county's best brok-

en field runners, will lead Redwood against Tamalpais Saturday night at Kentfield in a game that will have a strong bearing on the Marin County Athletic League championship.

13 Independent-Journal, Monday, Nov. 2, 1959

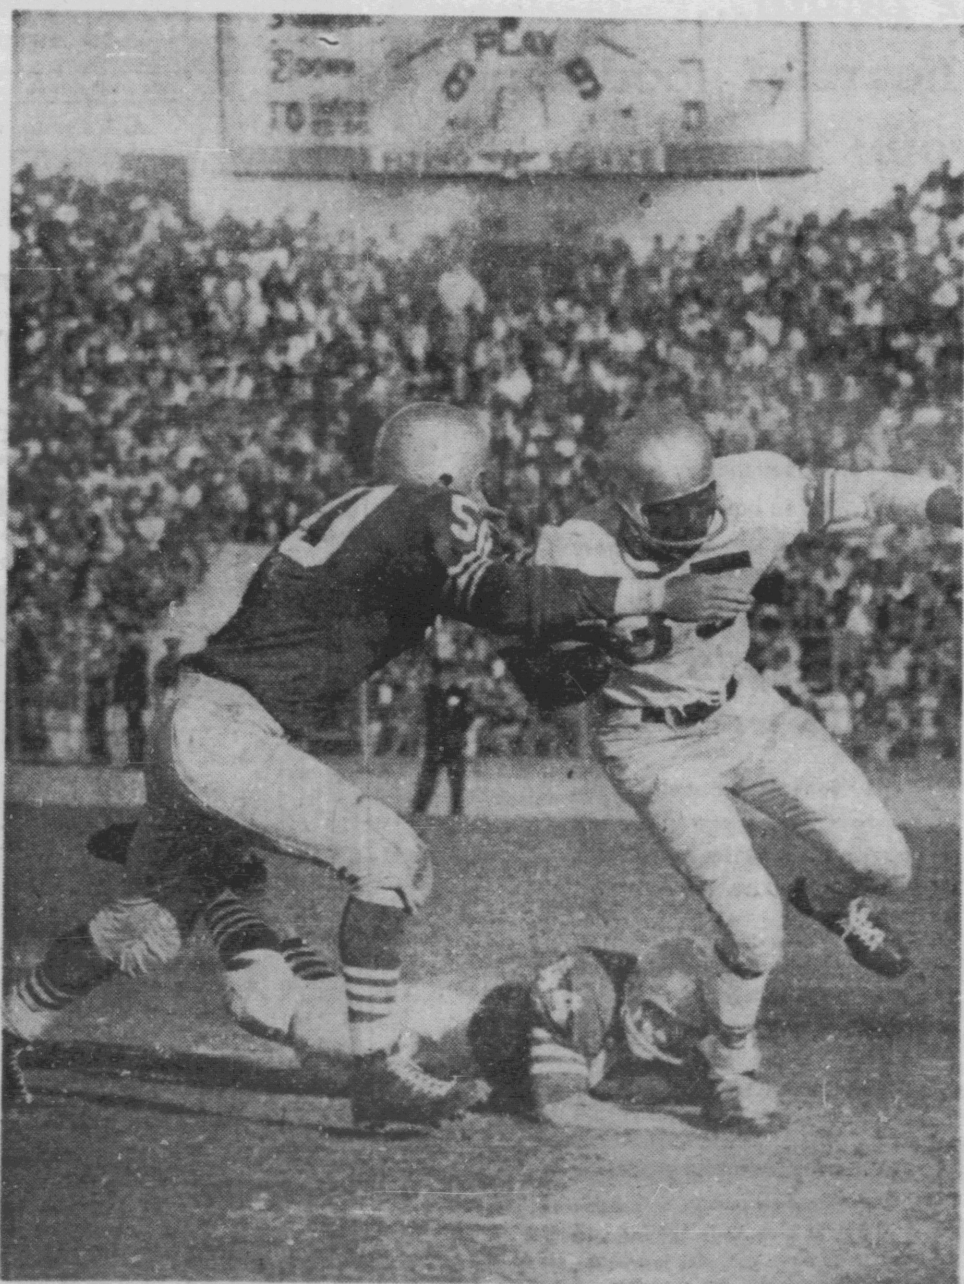

BULLDOG RAMBLES — Halfback Billy Roberts scampers for a good gain on a screen pass in fourth quarter, but this San Rafael threat was erased minutes later when Redwood intercepted a pass to halt the drive. That diving Redwood tackler is Dave Bortfeld (40).

AN AIRMAN DOWNS A SOLDIER

Hamilton Air Force Base halfback Harry Dukes is pictured "red dogging" quarterback George Sherwood (10) of Brooke Army Medical Center during Saturday's Armed Forces

League game at Hamilton. Moving in for the kill is guard Art Bolden. Hamilton lost to the highly-rated Army eleven, 7-0. (Independent-Journal photo)

CAGED LION — Detroit Lion fullback John Henry Johnson attempted an end sweep against the 49ers in fourth period of yesterday's game, but the play was a complete flop. San Francisco linebacker Jerry Tubbs was right there to nail John Henry for no gain. This was the case through most of the game as the 49ers prevailed, 33-7. (Independent-Journal photo)

FLYING JET — Fullback Joe "The Jet" Perry literally took to the air to pick up a first down in second period. Here Perry crashes over Detroit tacklers Dave Whitsell (23) and Bill Glass (53) as an unidentified Lion clamps arms around Perry's middle. (AP Wirephoto)

HURRY, YAT — Y. A. Tittle was badly rushed by Detroit's Yale Larry on an attempted pass play, so the 49er quarterback let loose with this high aerial just in the nick of time. The pass failed, but the 49ers did enough things right to roll up their fifth victory in six games and undisputed leadership of the Western Division in the National Football League. (Independent-Journal photo)

Leadership Workshop Tomorrow

The leadership training course sponsored jointly by the Mill Valley League of Women Voters, the Mill Valley P-TA Council and the Mill Valley Branch of the American Association of University Women, held the second in a series of workshops last week at the home of Mrs. Robert E. Eddy.

Mrs. Salem Rice of the League of Women Voters led the group in a discussion entitled "How to Conduct a Discussion Group." Mrs. Rice pointed out that the discussion group is one of the techniques in problem solving that is used by many organizations. "It is reasonably simple to use and can be very valuable," she said.

The next workshop will be held at the home of Mrs. Edmond Gross, 1 Roosevelt avenue, tomorrow at 10 a.m. Mrs. Gross, president of the Mill Valley P-TA Council, will lead the group in a discussion on leadership.

The leadership training course is a service to the community by the sponsoring organizations, and all interested persons are invited to attend. Further information may be obtained from Mrs. Eddy or Mrs. Robert Jenkins.

Mrs. Streckfus Jr. Honored At Luncheon

A surprise stork shower was given to Mrs. John Streckfus Jr. Tuesday at Rick's Rancho Rafael by her aunt, Mrs. Richard Miehl; Mrs. Rome Brusati and Mrs. Gimi John Sessi. The group assembled first at Mrs. Miehl's home in San Rafael and toasted the honoree, then went on to lunch at Rick's also viewing the fashion show.

Others at the luncheon were Mesdames Louis Castellani, Harold Morelli, Joseph Huffaker, Kenneth Lynch, Melvin Muzinich, Richard Bottarini, Gene Addelman, Frank Kelly, Wayne Jorday, William Muzinich, William Ghilotti, Fred Buscher, George Morin, James Gilmartin.

Tamakwa Meet Slated

Tamakwa Sewing Club will hold its regular monthly meeting at the home of Mrs. May Glaser in San Anselmo on Thursday, Nov. 5. Mrs. William Amos will assist in serving the 1 p.m. dessert lunch.

MILL VALLEY Outdoor Club members and guests will get the chance to play the part of a child again when the Club stages its "Kindergarten Kapers" on Saturday night at the clubhouse. Getting in the mood for the forthcoming event are, left to right, Mesdames Raymond Ham, M. J. Coutlee and Fred Greenland.

GETTING IN the mood for the Club's "Kindergarten Kapers" on Nov. 7 by trying on costumes recently were a group of members' husbands. Left to

right, back row, they are Arne R. Anderson as a pirate, Robert Byard III and Fred E. Greenland as juniors, and, and, (in front), Dr. Earle Marsh as "Zoro."

Sausalito Club Plans 'Painting To Jazz'

On Friday evening, Nov. 13th, at 8:30 p.m. a fascinating program has been planned at the Sausalito Woman's Club. Mrs. Robert Scarborough, chairman, has asked five prominent Marin artists to paint to the accompaniment of jazz. The artists are Lucienne Bloch, Enid Foster, Ann O'Hanlon, Franc Snyder and Serge Trubach.

Swiss born Lucienne Bloch, the daughter of composer Ernest Bloch, has studied in Paris, Berlin and Florence. She has painted murals in various parts of the United States from New York to San Francisco, the most recent at the San Francisco Conservatory of Music, Advanced Research Building, IBM at San Jose and Temple Emanuel-El, Grand Rapids, Michigan. With her artist hus-

ban, Stephan P. Dimitroff, Lucienne now lives in Mill Valley. Enid Foster, affectionately known as the "Edith Sitwell of Sausalito," is a native of San Francisco and has studied in New York and London. She is a sculptress as well as a painter of oils and water colors.

Ann O'Hanlon, who attended the University of Kentucky and California School of Fine Arts, has taught at Georgetown College, Ky., and at present is on the faculties of Dominican College and College of Marin. Her fresco murals appear in Kentucky and California and her portraits in private collections. Her interest now lies in abstract realism.

Franc Snyder, a musician turned painter, began painting seriously four years ago. He

has shown in collections in New York, Germany and France and has had several one-man shows in the Bay Area. He says "the magic atmosphere of beaches, old wharves and fog" impel him to paint with "romantic realism."

Serge Trubach, born in the Ukraine, studied at the Academie Colorossi and Grande Chaumiere in Paris and Cooper Union and Art Students League in New York. He has taught at the New England School of Art, National Academy of Design and Art League of San Francisco. His numerous awards include both MacDowell and Tiffany Fellowships and

FESTIVITIES FOR the affair will begin with cocktails at 7 p.m. preceding the 8 o'clock dinner with dancing to complete the evening. Committee members here seem to enjoy the playground facilities. On the slide are Mrs. Robert Byard III and daughter Kendall, while Mrs. Jerome M. London helps daughter Lark up the ladder. (Independent-Journal photos)

CLUB 'KAPERS' TO BE HELD SATURDAY EVE

Mill Valley Outdoor Art Club members and their husbands and guests will get that often expressed wish—"Make me a child again just for tonight"—at a "Kindergarten Kapers" dinner dance Saturday night.

Clever invitations made by Mrs. Donald Smith were written in white chalk in a kid-style scribble on black paper representing a blackboard.

Four co-chairmen who have been working with ways and means chairman Mrs. Earle Marsh on arrangements and decor for the party are Mesdames Raymond Ham, Robert Byard III, F. R. Vandyke and Mrs. Smith.

Costumes are optional with informality the keynote of the affair.

Festivities will start with cocktails at 7 p.m. preceding the 8 o'clock dinner, and dancing will complete the evening.

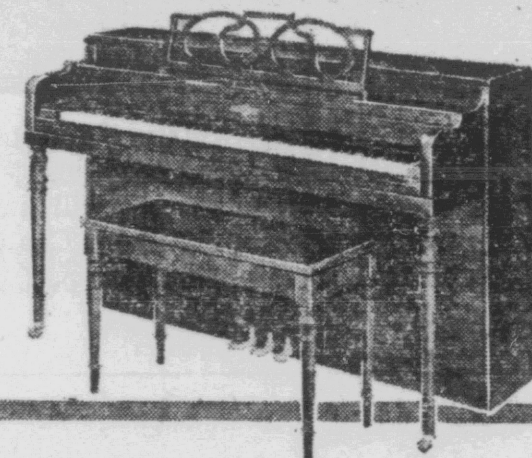

Reservations are to be made by Nov. 3 with Mrs. Stewart Bostwick or Mrs. Philip Smith.

he exhibits in all major United States Museums.

The audience will have an opportunity to watch the artists start with a fresh canvas and join in a discussion period moderated by Herb Beckman of Sausalito later in the program. When the five paintings are completed, they will be auctioned by "Ernie" Smith. Refreshments are included in the arrangements. The program is free to members with the usual guest fee and a nominal charge to the public.

Golden Star Will Meet

First nomination of officers will be held at the meeting of Golden Star Rebekah Lodge 112 on Thursday night, Nov. 5, at the IOOF Temple in San Rafael. Mrs. Mary Bruni, noble grand, will conduct the meeting which begins at 8 o'clock. Afterwards Cheryl Linn will talk on United Nations Pilgrimage for Youth in which she participated and show slides. Members are asked to come in costumes representing different nations. Refreshments will be served by Mrs. James W. Rowe, chairman and Mrs. A. F. E. Da Silva, co-chairman.

Tripple C Program Set Wednesday

"Not so very long ago most people believed that educating females was a plain waste of good money—if it wasn't downright sinful. And some suspected that it was."

So begins the one-act play, "Alma Mater and Her Daughter," which program chairman Mrs. Lowell Jett has arranged as the program for Wednesday's luncheon meeting of the Community Church Club.

Researched and written by Triple C member Mrs. Kenneth Pratt, the play, which traces the evolution of college education for women back to 1645, has been described as a "witty potpourri of impassioned opinions and humorous comments—straight from Grandma's attic."

The cast will be composed of Triple C Members Mesdames William B. Allen, Joseph Brewster, James Verby, Donn Nissen, Donald Du Pertuis and Robert Matson. Mrs. Pratt will be the narrator.

Reservations for the luncheon are being taken by Mesdames Mildred Mason and Prueella Stutzman. Chairman of the day will be Mrs. Carl Jensen, and table decorations will be arranged by Mrs. John Hurley.

Alpha Phi Alums Plan Luncheon

Marin County Alumnae of Alpha Phi will meet for luncheon at the Alta Mira Hotel in Sausalito tomorrow at 12:30 p.m.

A social hour will be followed by a short business meeting that will include election of officers.

Any interested Alpha Phi is welcome to attend, and reservations may be made by calling Mrs. J. E. Hickerson, president, 28 Woodside drive, San Anselmo.

World Travels To Form Program Of Sorority Meet

The Marin Club of Alpha Gamma Delta Sorority alumnae will meet at 8 o'clock on Wednesday at the home of Miss Lois Walker in Mill Valley. Miss Walker was a teacher at Tamalpais High School and is a well known resident of Marin County. She will present slides and a talk about her recent trip around the world. Miss Walker left here in October of 1957 and did not return to Mill Valley until October of 1958. During the year's time she visited Hawaii, New Zealand, Australia, India, Africa, and Europe. She ended her tour by spending the month of October in the New England States. After refreshments a short business meeting will be held when plans for the holidays will be made.

Valley Sewing Club

The monthly public whist party given by the Valley Sewing Club will be held Wednesday at 2 p.m. in the Mill Valley Odd Fellows Temple. A special award will be given at this event.

The committee in charge of the 1:30 p.m. refreshments is composed of Mesdames Godfrey Ita and Jack Clausen, and scoring at whist will be Mesdames Walter Meyer and Richard McIntosh.

MV P-TA Council Hears 4 Speakers

Duties and importance of room representatives to the school and P-TA were discussed at the recent meeting of the Mill Valley Council of Parent-Teacher Associations held in Park School Auditorium. The council's education chairman, Mrs. John Binckley, presided.

Speakers were Mrs. R. B. Hammond, former room representative chairman for Strawberry Pt.; Mrs. True Webber, teacher at Strawberry Pt.; Mrs. Martin Rosse, chairman of the Mill Valley Elementary School Board; Mrs. Edmond Gross, P-TA Council President; and Supt. of the Mill Valley School District G. R. McConnell.

Mrs. Hammond explained the importance of room mothers' assistance to teachers and their responsibilities for acting as liaison between community and school in interpretation of school policy.

Problems or criticism should be taken to the teacher first, Mrs. Webber said. "Mothers and teachers are the grass roots of America, and whether we bring forth an Einstein or an Al Capone is our responsibility. Community channels between parents and school must be kept open."

Mrs. Rosse stated that the school board is elected and serves without pay, that its major function is policy making and preparation of the yearly budget, and that it works within the state education code and its legal restrictions, such as those on the exact wording on a bond ballot statement.

"We desire that you attend board meetings," she said, "and we do depend on the P-TA, the education council, and the P-TA workshops to help us keep you informed. We welcome constructive criticism."

McConnell described (1) the district plan for neighborhood schools housing about 420 children each under a schoolboard

policy (2) the methods of hiring and evaluating teachers (3) Functions of administrative and faculty meetings, and (4) Special services in speech therapy, health, music, the instructional supply center, and guidance.

"We believe we have a solid academic program with full emphasis on needs of each individual child," he declared.

Though newspapers praise, condemn or poke fun at P-TA, Mrs. Gross pointed out, they do not ignore it. Yet few people know its full scope. Unit chairmen are concerned with many phases of child welfare.

The P-TA state board of managers has two full-time advocates in Sacramento watching bills concerning children and youth. The National Congress takes care of what is beyond the scope and resources of state, district and local units and provides guidance for them.

Mrs. Gross also explained that part of each dollar of P-TA dues goes into senior scholarships and that three had been given to Tam Hi students last year.

A question and answer period concluded the meeting.

The Mill Valley P-TA Council coordinates activities and provides guidance workshops for Mill Valley elementary school and Tam Hi School P-TA's.

Auxiliary To Canton

An inspection is planned for the meeting of Ladies Auxiliary to Canton San Rafael 39, at the IOOF Temple in San Rafael on Friday night, Nov. 6. Inspecting officer will be Mrs. Cleo Hewitt of the Vallejo Ladies Auxiliary 16. Mrs. Kenneth Irwin, president, will conduct the meeting at which officers will be nominated. On the committee are Mesdames Everett Ruhl and Alexander Walker.

PROCEEDS FROM the dance will benefit the scholarship fund which sustains seven civil engineering students at the University of California.

Working out the black and white harlequin theme are Femineers, left to right, Mesdames William A. Swain, William J. Keener and Robert Lawson. (Independent-Journal photos.)

Mt. Carmel P-TG To Meet Tonight

The Mt. Carmel parent-teacher group will meet tonight in the lower hall of the Mt. Carmel School in Mill Valley.

President George Monardo will call the meeting to order at 8 p.m. and will present the Reverend Mother Mary Kevin, who will in turn introduce the

teaching staff and outline plans for the 1959-60 school year.

Monardo urges parents to register for membership in the group and take part in supporting the work for which the P-TG was formed.

Mill Valley Women Voters Meet Nov. 4

The Mill Valley League of Women Voters will join with leagues all over the country next week in holding its first round of program making and selection of issues for the next two years.

Mrs. Jean Grane, chairman of the foreign policy workshop, will lead the discussion, assisted by Mesdames J. V. Hawley, Harold Bjornstrom, J. P. Oliver, R. L. Iglehart and Herbert Lawrence.

The meeting will be held at the home of Mrs. S. I. Hayakawa, 225 Eldridge avenue, Mill Valley, on Wednesday, Nov. 4, at 10 a.m.

Next meeting of the league's local current agenda workshop will be held Thursday, Nov. 12, at the Mill Valley Library, according to the newly-elected workshop chairman, Mrs. Carl Book.

Sausalito Nursery School Will Hear Henry Malcheski

At tomorrow's meeting of the Sausalito Nursery School, there will be a special pre-Christmas program, featuring speaker Henry Malcheski of "The Mart" in Sausalito. Malcheski will demonstrate and display various special toys and games for the pre-school age child, and answer questions of the members in regards to special projects and educational toys for this age group.

At this meeting, President Mrs. Edward Ripley will also have the reports of the House Tour committee as to the progress and the advance ticket sales. The school annual house tour will take place on Nov. 10 from 2 to 4 p.m.

The monthly board of directors meeting was held recently at the home of the president, Mrs. Ripley.

A special Halloween party entitled "The Mad Hatter's Party" was held on the Friday preceding the holiday, planned by co-chairmen Mrs. Charles VanKreidt and Mrs. Richard Urbais.

CERTIFICATE OF CORPORATION

KNOW ALL MEN BY THESE
PRESENTS:

That we, the undersigned, President
and Secretary, respectively,
of Sunnyside of Marin, do hereby
certify:

That the exact legal name of said
corporation is Sunnyside of
Marin, and that said corporation is
a California corporation;

That the principal place of busi-
ness of said corporation is located at
130 Sir Francis Drake Boul-
levard, San Anselmo, Marin County,
California;

That said corporation is transac-
ting and will transact business
in the County of Marin and the
State of California under the fic-
titious name of Sunnyside Nur-
sery; that the principal place of
business of said Sunnyside Nur-
sery is 130 Sir Francis Drake Boul-
levard, San Anselmo, Marin County,
California;

IN WITNESS WHEREOF, on
behalf of Sunnyside of Marin we
have hereunto set our hands this
28th day of August, 1959.

SUNNYSIDE OF MARIN
By /s/ DONALD C. PERRY,
President

Secretary
BRYAN R. MCCARTHY,
STATE OF CALIFORNIA,
County of Marin ss.

On this 28th day of August in
the year one thousand nine hun-
dred and fifty-nine before me,
Glady's C. Johnston, a Notary
Public in and for the County of
Marin, State of California, resid-
ing therein, duly commissioned,
duly sworn, personally appeared
Donald C. Perry and Bryan R.
McCarthy known to me to be the
President and Secretary respectively
of the corporation described in
the foregoing instrument, and also
known to me to be the persons who
executed the within instrument on
behalf of the corporation therein
named, and that each of them is
a corporation executed the same.

IN WITNESS WHEREOF I have
hereunto set my hand and affixed
my official seal in the County of
Marin, State of California, in this
certificate first above written.

Glady's C. Johnston
Notary Public in and for the
County of Marin, State of
California.

My Commission Expires Septem-
ber 5, 1962.

FILED: Oct. 8, 1959

NOTICE OF SALE OF REAL
PROPERTY

In the Superior Court of the
State of California, in and for the
County of San Francisco.

In the Matter of the Estate of
R. P. PAOLI, also known as REMO
PIETROPAOLI, also known as REMO
PIETRO PAOLI, and as RAYMOND P.
PAOLI, and as RAY PAOLI, and
as A. P. PAOLI, Deceased.

No. 134978.

Notice is hereby given that on or
after November 10, 1959, the under-
signed ZEONA P. PAOLI, CHAS. H.
KENDIG, and JAMES J. RUD-
DEN, as Executors of the Will of
the above named decedent, will
sell at a probate sale, to the high-
est bidder, subject to confirmation
by the above entitled Superior
Court, all the right, title, interest,
and estate of said decedent at the
time of his death and all the
right, title and interest the said
estate has, by operation of law
or otherwise, acquired other than
in addition to that of said de-
cedent at the time of his death,
in and to that certain parcel of
real property located in the Town
of San Anselmo, County of Marin,
State of California, described as
follows:

LOT 65, as shown upon that
certain Map entitled, "Short
Ranch, Subdivision No. 1, Marin
County, California," filed May 9,
1912, in Book 4 of Maps at page
19, in the office of the County
Recorder of the County of Mar-
in, State of California.

Sale for cash, 10% of total bid
to accompany offer. Bids or offers
are invited for said property and
may be in writing and may be de-
livered to said Executors, or to the
office of the attorneys, DONO-
HUE, SUMNER & MCELROY, 717
Market Street, San Francisco, Cal-
ifornia, or may be filed in the of-
fice of the Clerk of said Superior
Court at any time after the first
publication of this notice and be-
fore the making of said sale.

Dated: October 21, 1959.
ZEONA P. PAOLI
CHAS. H. KENDIG
JAMES J. RUDDEN

LAST FREE HANDOUT—Monsieur of Shady Oaks (Buster) and Shady Oaks Silver Imp (George), a pair of miniature poodles, beg for their last nibble of kibble from the hand of Mrs. Quincy Benning, who, with her husband, closed the doors Saturday of the Novato Garden and Pet Store after three years at 926 Grant avenue. Watching is Rhea Maxwell, owner of George and Buster. Beginning today, the dogs will seek their favors from Scooter's Pet Cottage, Novato's new pet supply store at 1010-A First street. (Independent-Journal photo)

Novato Pet Population Patronizing New Store

Much of Novato's pet population—estimated as the largest in Marin County—today began buying its groceries, knick-knacks and intimate things at a new place of business.

The Novato Garden and Pet Store at 926 Grant avenue, operated for three year by Mr. and Mrs. Quincy Benning, closed its doors for the last time Saturday.

"We are going to rest," said Mrs. Benning when asked their immediate plans.

Today the line formed on the right at Scooter's Pet Cottage at 1010A First street, a brand new store with Mrs. Bettie Seiler filling the orders.

Named for Scooter, the Seilers' ring-tailed monkey featured on the cover of the Oct. 24 Marin Magazine, the shop will feature pets and supplies as well as a grooming and boarding service.

Mrs. Seilers, who will be as-

Library Fetes Children's Book Week

The Mill Valley Public Library this week has 300 new books on display in the children's and tennage rooms. Mrs. Margo Farnsworth, children's librarian, announced today, in celebration of children's Book Week.

Approximately 150 new titles are on hand, with the others representing old favorite titles, she said.

New books by local authors include "The Otter Twins," by Barbara Briggs of Strawberry Point, and "The Last One Home Is A Green Pig," by Thatcher Hurd and illustrator Clement Hurd of Mill Valley.

Mrs. Dorothy Thomas, librarian, also announced that an original sketch by Don Freeman, in interpretation of the character Norman the Door-man is on view. She said she met Freeman at the annual conference of the California Library Assn. in Sacramento, and requested the drawing. Freeman is the author and illustrator of books about a mouse named Norman.

During Children's Book Week the library expects approximately 800 visitors from Mill Valley classrooms.

The books will be on display through Friday, and may be borrowed on Saturday.

Most all of the trade of Haiti — logwood, cotton, cacao — is with the United States.

LAW IN ACTION

School Must Provide Proper Supervision

(This column, prepared by California attorneys so you may know more about our laws, appears regularly in the Independent-Journal.)

Active children sometimes get hurt at school, a risk every child and parent must take.

Schools do not guarantee their pupils' safety. A child hurt playing tag or hit by a bat, as a rule, can seldom hold the school to blame or collect damages.

But now and then a school may be negligent in lacking safeguards or proper supervision. It may have defective equipment or allow irresponsible students to mishandle it.

In such cases the school is liable, as it was, for example, where it allowed an incapable student to drive a soundtruck, injuring other students.

As a rule such liability arises only in cases of negligence or lack of due care, for example, where the school people know of, and do nothing about defective and dangerous school property.

Some injuries take place because of the heedlessness of other students, say, in throwing rocks on the playground or "horsing around" in a machine shop. Here the school is not to blame for injuries unless it fails to supervise the students properly.

In one school, for example, students for years had played a game of "blackout."

One boy takes a deep breath, holds it, and another squeezes him until he becomes unconscious.

One such boy fell and struck his head on the sidewalk. The court held the school to blame and made it pay damages for not stopping the game. It had lacked proper supervision.

Again, a student who helps to bring about his own injuries by ignoring school rules, for example, cannot hold the school responsible.

One such youngster climbed the school yard gate against a well-known rule. It swung to and pinched him, injuring him badly. The school was not liable, since the child's own negligence contributed to his injuries.

NEW COMMANDER — Raymond S. Dondero, son of Mrs. Joseph Dondero of 102 the Alameda, San Anselmo, has been promoted to the rank of commander with the Navy Reserve. In civilian life, Dondero is dean of instruction at West Contra Costa College in San Pablo. He is a member of the Navy reserve unit at the University of California at Berkeley.

The female phalarope is larger than the male, has brighter plumage and takes the initiative in courtship. The eggs and looks after the young.

Two Hub Men To Open New Service Station

Two young San Anselmo businessmen are pushing work on a new \$100,000 Tidewater Oil Co. Flying A service station at 2000 Sir Francis Drake boulevard, Fairfax. They hope to open for business Nov. 9.

Partners in the enterprise are Gregory McConnell and Jack Dalpino, who have been with Tidewater Oil for seven and nine years, respectively, and both of whom are recent graduates of the General Motors service school in San Leandro.

Although both are already well known locally, they started today on a one-week intensive self-introduction tour through the Fairfax-Woodacre-Sleepy Hollow area, presenting free gifts as they travel around. One week after they start business they plan to hold a grand opening.

The station will have the latest in modern equipment including a hydraulic lift with X-frame designed to cope with all kinds and sizes of cars, including imports and sports models; a wash rack and similar equipment, and a stock of batteries, tires and miscellaneous motor articles.

In two months the station is expected to offer engine tune-up and brake equipment now on order.

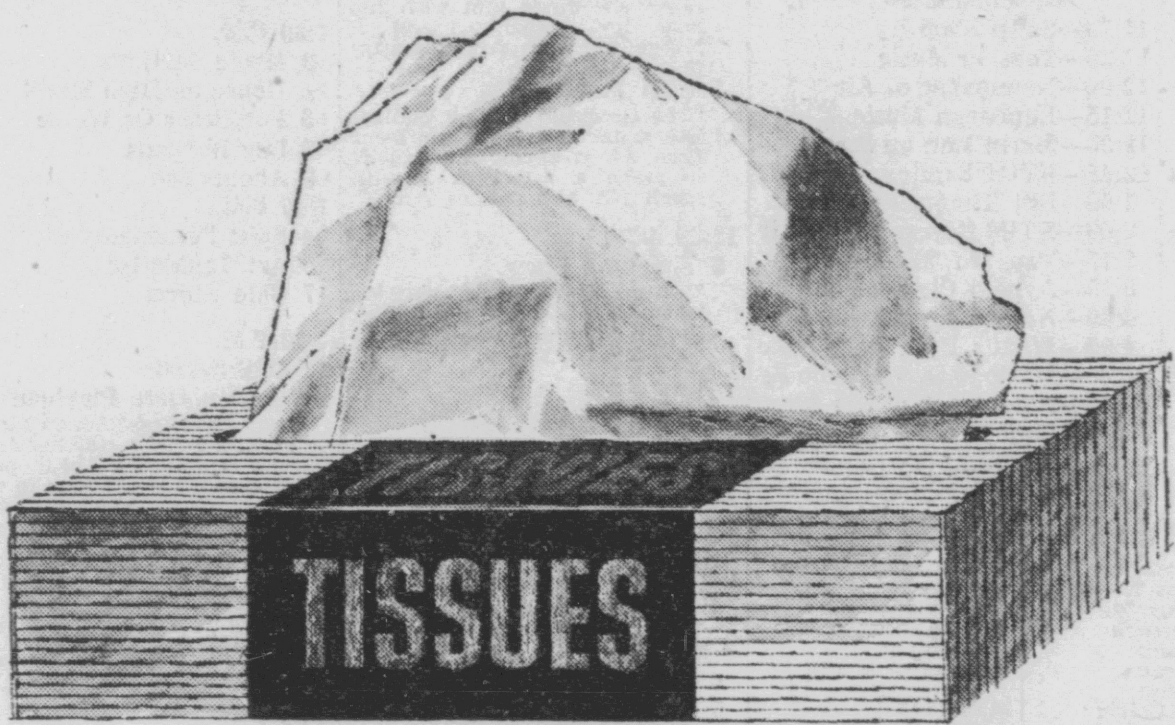

Both the proprietors are California-born and married, McConnell being father of a daughter. He was in the Navy during the year and one had one year at Vallejo Junior College. Dalpino is father of a son and a daughter, was in the Marines during the Korean conflict, and had two years at Santa Rosa Junior College.

Drake Year Book Wins Honor Rating

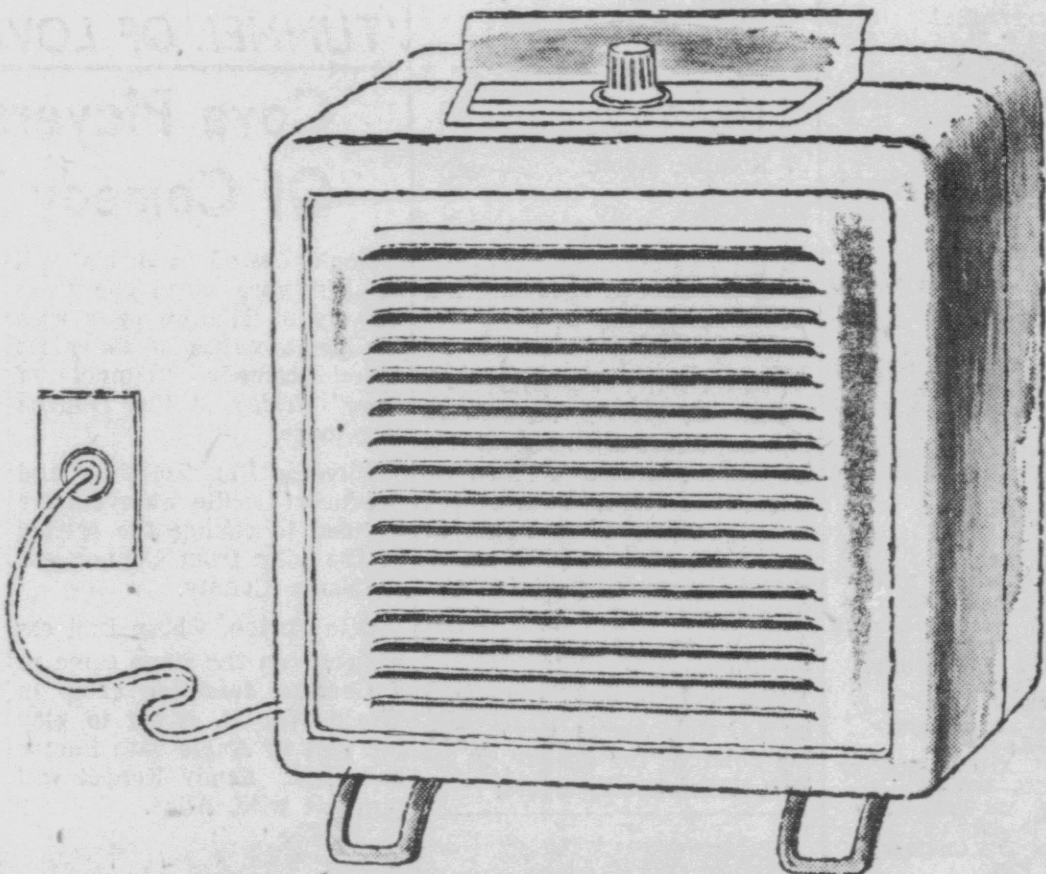

Next to highest rating has been given to the 1959 year-book of Sir Francis Drake High School, The Buccaneer, by Columbia Scholastic Press Assn. at Columbia University, New York City.

Columbia judging is based on four categories of points. The Buccaneer was especially commended for organization, art work and "original treatment" of curricular activities.

Co-editors of the 1959 year-book were Barbara Majesky and Gary Rogers. Adviser is Edward J. Neumeier.

snuff out sniffles!

...add electric heat!

Chilly corners and drafty floors aren't exactly the best playground for children —nor healthy for adults. Going back and forth from warm to cold rooms invites the sniffles. That's why it's good preventative medicine to install electric heaters in those added-on or hard-to-heat rooms. It's also the quick way to warm-up cold corners in other rooms, and make your home comfortable everywhere.

SEE THE LATEST IDEAS IN ELECTRIC HEATING TODAY!

Built-in wall units are convenient out-of-the-way installations... designed to blend with any decor.

Portable heaters are just the thing where you need extra heat for short periods.

Baseboard heating wraps a "ribbon of heat" around the floor of conventional rooms. Replaces existing baseboard.

New perimeter floor inserts are the latest in electric heating comfort, especially for rooms with floor-to-ceiling windows.
